

DESTROY AUSTRIAN BASE, DURAZZO ARMENTIERES AND LENS COAL FIELDS TAKEN

GOOD NEWS MAY JEOPARDIZE LIBERTY DRIVE

Must Be No Slackening
of Effort Declares
McAdoo

BOND SALES
SHOW SPEED
But Rate Is Not Yet High
—Enough to Come
Out Even

WASHINGTON, Oct. 3.—President Wilson by purchasing a \$1,000 bond at a theater here tonight, started a rally which resulted in the sale of \$19,000 worth of fourth Liberty bonds.

WASHINGTON, Oct. 3.—Admission to the American people not to let the news of Allied victories cause a slackening of efforts in the campaign for the fourth Liberty loan was expressed tonight by Secretary McAdoo in pointing out that to date subscriptions toward the \$5,000,000,000 total are being received at only one-half the necessary rate. Although \$200,000,000 in subscriptions was reported today, Mr. McAdoo said bond sales must average more than \$312,000,000 a day for the nineteen working days if the goal is to be reached. Subscriptions up to the close of business last night amounted to \$163,500,000.

"Germany is not yet crushed," Secretary McAdoo said in urging more strenuous efforts. "She has millions of strong fighting men still on the battle lines and with invasion of their own territory facing them, they will fight even more desperately than heretofore."

"While I am confident that the American people will in the end complete the enormous task before them, I desire to urge everyone not only to subscribe to the utmost of the earliest possible moment, but in order that his subscription may serve as an inspiration to others."

Campaign Handicapped
"The campaign is handicapped by two factors. The first is the unfortunate spread of the flu through many of the eastern states, necessitating the cancellation of demonstrations on behalf of the loan. This condition makes it necessary for the people to come forward with their subscriptions without waiting for the rally upon which the most serious one, is the feeling which is prevalent in some communities that the glorious news from the battle fronts reflects a military situation which warrants a slackening of our efforts here at home. Nothing could be farther from the truth and no more insidious propaganda than this could be circulated by the enemy."

"The time is ripe for the final stroke which shall lead to complete victory and enduring peace, that stroke cannot be delivered in a day or a week."

The strength of our military effort must be multiplied. Our fighting forces must feel behind them the steady support of the American people. The supporting not be armed and ammunition diminished. Now is the time for speed and the maximum of force at the present time means an earlier return of our boys from the bloody battle fields—means the saving of American lives and the winning of a glorious and conclusive victory."

WASHINGTON, Oct. 3.—More than 300,000 subscriptions to the fourth Liberty loan were reported today in the treasury department, an increase over the daily average heretofore reported. Up to the close of business last night, the total officially registered was \$262,506,000. This is the recognized harvest from four days of campaigning—about half the rate at which subscriptions must come to reach the \$5,000,000,000 total. Today's reports do not include the Kansas City district, where the campaign actually started, nor any subscriptions not supported by initial payments in the hands of banks.

Toledo, Ohio, furnished the spectacular feature of the day's campaigning by achieving its quota of \$13,000,000 in 72,000 pennies. The city's campaign managers telegraphed that this was only a beginning. Subscriptions by districts were announced as follows:

ALLES ADVANCE STILL FARTHER IN BELGIAN FLANDERS

Hindenburg Line From Cambrai to St. Quentin Smashed; French Extend Champagne Operations

BY THE ASSOCIATED PRESS
Lens, the heart of the great coal region in northern France, and Armentieres, almost equally important as a manufacturing center, have been evacuated by the Germans. The German fortified positions between Cambrai and St. Quentin have been definitely smashed; and the Austro-Hungarians in Albania, forsaken by the Bulgarians, their former allies, are in full retreat northward from the Adriatic Sea to Lake Ohrid.

Or the reconquest of invaded Belgium and the progress of the French and Franco-American forces respectively, north of Rheims and eastward in Champagne to the vicinity of Verdun, the tale remains the same—the Germans slowly but surely are being forced everywhere to give ground and their vital defenses daily continue to be eaten into, notwithstanding the strong resistance against the efforts of the Allies to break on all sides of the great battle area from the North Sea to the Swiss border and compel the German high command to reconstruct its fighting line.

Work Eastward in Flanders
In Belgian Flanders, the Belgian, French and British troops are keeping up their eastward progress in their endeavor to compel the Germans to give up Ostend and Zeebrugge, their naval base on the North Sea. The capture of the important railway junction, with its lines of steel radiating to the North Sea and eastward to Ghent, has been entered by the Belgians, and at Hooglede, to the north, King Albert's men are virtually upon the Roulers-Ostend-Bruges railway. To the south Menin and Courtrai are seriously menaced.

Across the border in France, the capture of Armentieres brings Lille, capital of the department of the Nord, within striking distance, and the evacuation of Lens places Douai, the fortress northeast of Arras, and all the territory between Arras and Menin virtually in the hands of the British.

North-East From St. Quentin
To the south, from Cambrai to St. Quentin, the German resistance is still strong, but the British, Americans and French on all the sectors which are essential to the carrying forward of the Allied program have attacked valiantly and withstood counterattacks, smashed the old Hindenburg positions and materially advanced their line. Sequel, north of St. Quentin, which the Germans in a violent counter-attack recaptured from the British Wednesday, again has been taken by Field Marshal Haig's men, who now are on the rolling country to the eastward, as likewise are all the Allied troops from St. Quentin northward.

Northwest of Rheims, the Germans are offering more resistance to the French along the Aisne and on the sectors which are protecting the eastern end of the Chemin-Des-Dames, the western end of which already is dominated by the French guns, but General Berthelot's forces nevertheless have captured Comblanchien and reached the Aisne canal, between Comblanchien and La Neuville, a front of more than fifteen miles.

Challenger Taken in Champagne
In Champagne the French have enlarged their gains from the region north of Soissons to the western fringes of the Argonne forest, taking prisoners and inflicting heavy casualties on the enemy. The railroad junction point of Challerange, a short distance south of Vouziers, has been captured and here the French have completed their domination of the Aisne valley, running north of the Argonne forest and are only awaiting the arrival of the Americans at the eastern end of the valley to nip the big wooded bastion out of the fighting line. The Americans are slowly approaching the rendezvous.

In their retreat from Albania, the Austro-Hungarians everywhere are in flight before the Italians, burning towns and depots, helping them. Large numbers of prisoners and quantities of war material have been captured.

PLAN TO CONTROL CLOTHING PRICE

War Industries Board to Follow Up Shoe Rules

WASHINGTON, Oct. 3.—Prices and distribution of practically all articles of wearing apparel are to be controlled by the war industries board. Regulations issued yesterday prescribing certain fixed prices for shoes controlled only the first step in a general policy for price control of clothing, it was disclosed tonight.

Chairman Baruch made the announcement in an address to the National Drygoods Association. Referring to the putting into effect of the agreement between the board and the shoe industry, Mr. Baruch said: "After that will have to come the regulation and distribution of most all of the things which you gentlemen have in deal with. I don't want you to say I can't be done, because it must be done. It is unthinkable that only the man with the longest pocketbook can get the things that he needs."

The drygoods retailers were called upon by Chairman Baruch to take the product of the manufacturer who to some extent, has his prices regulated and limited amounts allocated to him, with the determination to distribute it "in some fair and equitable way, seeing that, as far as possible, each individual gets his share and gets it at a price that is fair."

Since July 15 and up to September 30, the Allies have captured 5,518 officers, 248,494 men, 3,859 cannon, more than 23,000 machine guns and hundreds of mine throwers, the statement said.

READY TO MAKE USE AT ONCE OF LENS COAL

Allies Have Long Been
Sure of Occupation of
Industrial Center

SHAFTS MAY BE
FIRED BY HUNS
Douai May Be Next
Pivotal City to Succumb to Allies

WASHINGTON, Oct. 3.—The German retreat from the Hindenburg line was in full swing today, menaced by the French, Belgian and British thrusts at vital points. While official reports told only of the evacuation of Armentieres and Lens, officers here confidently expected that this phase of the withdrawal must be expanded to the south at once under the threat of the British push northward, from their lines between the Scarpe and Cambrai.

With the evacuation of Lens, the enemy's hold on the great coal region of northern France is loosened. Nothing has been received as yet to show whether the mines have been fired; but it is regarded as certain that during the years of German occupation the great fuel scorehouse below the surface have been worked to the limit.

Ready to Use Mines
As evidence of the complete confidence with which the Allied leaders have viewed the future ever since it became certain that the United States would succeed in getting a great army to France for the fighting this year, it is now known that reconquest of the Lens coal fields has been definitely figured on by some months' computing fuel needs and supply. There also are indications that the coal mining units, equipped with the means of fighting possible fires in the workings, will be ready to enter the mines as rapidly as the armies force the enemy beyond them.

Belgian Capital Again in German Hands
Belgian Capital again in German hands, the German leaders to order the evacuation of the Lens-Armentieres front, undoubtedly in military opinion here, was the wholly unexpected rush in Belgium in which the Belgian army held and captured the town of Antwerp, forcing the German army to the way for swift expansion of the victory by French and British forces. There appears to be little doubt now that King Albert will be able to re-establish his capital on a Belgian soil.

Standing on the flank of the German communication system from Armentieres to the immediate vicinity of Courtrai, General Plumer's second British army is believed to hold the key to a wide stretch of territory now in enemy hands.

Extension of the Franco-Belgian drive north of General Plumer's line, however, would permit the British commander to move forward to the southeast in a wide enveloping movement. For that reason it is thought a new drive is to be anticipated on the Douai front by the French and British forces supplementing the work of the Belgian armies.

Douai Soon to Fall
The evacuation of Lens foreshadows the early fall of Douai, already closely pressed from the south. It is now clear that the grand strategy of Marshal Foch contemplated pinching the enemy out of the whole Lille-Douai sector and the abnormal quiet that has prevailed along the Lens front up to now is explained. The supreme commander is today realizing the full success of that plan.

What effect the break in the north may have on the remainder of the line remains to be seen. Undoubtedly, it is said, an element of successful withdrawal will be necessarily the concentration of a great force to hold up the British under General Plumer and the French and Belgians on the St. Quentin front, but the drive eastward. A way must be kept open for the retreating armies.

Too Much Momentum
Before Rheims, however, the enemy already has let go of the valuable defensive positions on the St. Quentin plateau and stands on a weak front with his back to open country beyond the Leuven-Thiers road. Just north of St. Quentin, the British were again hammering forward today toward the valley of the Oise in a movement that imperils the whole German line between Oise and the Aisne. The urgent situation could well be altered by a suspension of the withdrawal near Rheims, but it looks now as though the movement was too far advanced to be arrested and British occupation of the Oise line east of St. Quentin beyond doubt would force not only a suspension, but wide extension of the withdrawal.

Not is the Rheims situation of the enemy perilous only on this sector. East of the cathedral city a pocket in the French front army was forming while the French fourth army and the German troops on that front. The momentary lull in the fighting on the American lines at the Meuse as Pershing's men consolidate their position before the new German line, may portend a new blow at any moment and the continued quiet along the front of the Rhine may fore-shadow an early attack there at the heart of the weakened German defensive structure with open country beyond.

BADEN PRINCE TO SUCCEED HERTLING AS CHANCELLOR?

Maximilian, Liberal, to be Stalking Horse for Kaiser's Revision of Constitution

COPENHAGEN, Oct. 3.—The Berlin Vossische Zeitung says the appointment of Prince Maximilian of Baden as imperial German chancellor may be regarded as an accepted fact.

AMSTERDAM, Oct. 3.—Prince Maximilian of Baden, long known as the Zetting Am Miting of Berlin. A council meeting took place at the chancellors palace in Berlin last evening, according to advice received here.

It seems likely that General Von Seusen will continue as minister of war. Suggestions current in German political circles are that the under-secretaryship for foreign affairs would be given either to a centrist or a Social Democrat, the home office to a Progressive party, the economic office to the center and the new imperial labor department to the Social Democrats.

Teuton Activity
VIENNA, Oct. 3.—Emperor Charles yesterday went from Reichenau, Lower Austria, to Baden, where he received in audience Field Marshal Arz. Von Seusenbury, the Austrian chief of staff. The emperor then came to Vienna where he conferred with Baron von Burian, the Austro-Hungarian minister, and Baron von Hussarek, the Austrian premier. The monarch returned to Reichenau last night.

AMSTERDAM, Oct. 3.—The leaders of the German parties have decided that a plenary session of the Reichstag shall be held on Tuesday or Wednesday next according to German advice. The members will be brought together on this occasion to hear the government statement of its policy.

PARIS, Oct. 3.—(Havas).—The German censor at Berlin permits the German press to print articles dwelling on the probable situation of Germany in the case that Austria should be forced to lay down her arms, and to make proposals to the Allies. It is declared that if Austria-Hungary should give in, Russia might follow her example.

See Defense Crumbling
PARIS, Oct. 3.—(Havas).—The German situation on the western front is grave, the Frankfurt Zeitung admits, adding that the German front is gradually crumbling.

"What a plan of attack!" it adds, "is being carried out in an extraordinary manner. It is a awful strain on our front. The situation on the Meuse, where the American attacks are just beginning, is extremely critical. Part of the Chemin-Des-Dames has had to be given up and the whole German front is being carried out in an extraordinary manner. It is a awful strain on our front. FOUR GROUPS TO MEET JOINTLY

Auditors, Assessors, Treasurers and Tax Collectors Called Together

SACRAMENTO, Oct. 3.—State Controller John S. Chambers, acting in conjunction with Sacramento county officials, has called a series of conventions of county auditors, assessors, tax collectors and treasurers of California counties to meet at the state capital building, 12-21 Joint sessions will open and close the convention, and two days will be given to separate conferences of the four groups of county officers, and of still another group, including attorneys representing the inheritance tax department, the state controller's office, and inheritance tax appraisers from the various counties. One purpose is to consider legislative needs.

"It has been the practice," said Controller Chambers in explaining the purpose of the convention, for the auditors to meet in one part of the state, assessors in another part of the state, perhaps at a different time, and other county officials of a certain classification to meet elsewhere, and while these meetings have been of great good they have lacked the element of coordination necessary for the most efficient action to get together and discuss not only our own problems, but the problems of our fellow officials next door, with whom we have relations. Such a plan certainly will result in greater harmony and efficiency."

AUSTRALIANS TAKE TURKISH COLUMN

LONDON, Oct. 3, 3 p. m.—Australian mounted troops, northeast of Damascus on Wednesday captured and captured a Turkish column. Fifteen hundred prisoners were taken and two guns and forty machine guns were captured, an official statement reported today.

WASHINGTON, Oct. 3.—The Turkish forces in Persia have been ordered by Constantinople to leave at once, according to a report reaching the state department today from Tehran.

This action was taken, it is said, because of the disaster to Turkish troops in Palestine. It is also reported that the British probably will reoccupy Baku.

DEPORT CITIZENS OUT OF ALSACE

GENEVA, Oct. 3.—German military authorities have begun to remove the inhabitants of Alsace, according to the Democratic, in expectation of a Franco-American attack on the frontier.

The inhabitants of French villages, including Fretz, Goutavon and Winkel, already have been sent to Bavaria. Some of the villages have escaped across the Swiss frontier.

Fear of disorder is rampant throughout Alsace-Lorraine. Food is scarce and little fuel is available.

The German authorities in Alsace-Lorraine, Democrats adds, are afraid of a general uprising in those provinces when the Allies cross the frontier.

BADEN PRINCE TO SUCCEED HERTLING AS CHANCELLOR?

(Continued from Page 1.)

He knows for a time because the German official world refused to credit until the last moment the possibility that frequently appears in the newspaper articles. The Frankfurt Gazette is the first to admit that the suggestion is a direct consequence of the development of the western front.

The Cologne Volks Zeitung is deeply pessimistic regarding the future. It would be unwise, it says, to place any hopes on a counter movement.

Referring to the effect of the Bulletin of the German press, the newspaper says:

"If the country falls, then the front goes down also. The trials which have befallen us in the past few weeks are too much for the people to bear after four years of hard fighting with the support of faithful Allies."

The Volks Zeitung beseeches the Almighty "not to make it too hard for us" for in its view "there is nothing holier than Germany fighting for life."

Montana Doing Well

HELENA, Mont., Oct. 3.—Montana may be the first state to go over the top in the fourth Liberty loan drive. A total subscription in the state of \$11,253,000 was reported to Secretary R. H. Trigg of the state committee today, and a telegram was received from Chairman A. R. Rogers of the ninth district that Montana has full subscriptions from a greater percentage of counties than any other state in the district. Eighty per cent of the counties have reached their quota and the other 20 per cent are expected to reach it tonight. Mr. Trigg said that its quota of \$16,000,000 could be reached with full quotas from just three more calling counties.

Gerard Praises Max

LOS ANGELES, Oct. 3.—Prince Maximilian of Baden, new German imperial chancellor, is a "regular human being," according to James W. Gerard, former ambassador to Germany. Mr. Gerard is resting in Los Angeles between dates on a speaking tour for the fourth Liberty loan.

"I met Prince Maximilian in Berlin," said Mr. Gerard. "He is a man who knows English perfectly, and is one of the few high Germans who seem to be able to think and believe like an ordinary human being. I saw him with reference to the prisoner question in which he took great interest. If I recall correctly, he went to Stockholm in the interest of the general Red Cross and prison work conference."

"He is a man of most charming appearance and manner and indulgent of the views of other countries and other civilizations, which no other German that I ever met, occupying an official position, was."

"He is not the direct heir of the present grand duke of Baden; I think he is a nephew. He holds the rank of a full general in the German army, though without command."

"Von Jagow and I wanted to have him put at the head of all prisoners' work in Germany, but Von Jagow was personally in favor of treating the prisoners better than the military would permit. Von Jagow told me that he tried to bring about the appointment of Prince Max, but was terribly set upon by the military."

Baden is much more liberal than most of the principalities and duchies; indeed, the most liberal of all of them. It made a brave attempt for liberty during the revolution of 1848 and ten thousand people of Baden in that revolution took refuge in Switzerland, a great many of them eventually coming to this country."

"The putting forward of a man of Prince Max's personality and vision, in the position of imperial chancellor, is a very definite attempt to seek peace and an abandonment of the pan-German policy, because Prince Maximilian is opposed to this insane idea of pan-Germanism, of world conquest."

"I have always suspected they would really go to pieces if they would elect either Prince Maximilian or Dr. Seif, the German colonial minister, who was so opposed to a break with America that when relations were broken he took to his bed."

Record As Moderate

Prince Maximilian is heir to the throne of the Grand Duchy of Baden. He was born July 19, 1857. For some years he has been recognized as the Delbrueck group of German moderates and upon the fall of Imperial Chancellor Michaelis, November 1, 1917, he was put forward as the moderate candidate for chancellorship. His name, however, did not come before the emperor as Prince Maximilian objected for dynastic reasons.

Early in the present year Prince Maximilian gave a semi-official interview in which he outlined his views on Germany's present terms. His statement was a rude shock to the Pan-Germans in that he advocated the abandonment of all ideas of conquest. He advocated an Anglo-Saxon peace, in the sense that the German empire must serve as a bulwark in protecting the western world from the spread of Russian Bolshevism.

Prince Maximilian's grandfather was formerly Marie Louise, duchess of Brunswick-Lunebourg and bears the title of Princess Royal of Great Britain and Ireland.

RHENISH TOWNS BECOME FRANTIC

British Airmen Desolating 250-Mile Belt in Valley

NEW YORK, Oct. 3.—British airmen during the past three months have wrought heavy damage to military objectives in western Germany and have enforced withdrawal of several enemy air squadrons from the battle front in vain effort to protect the industrial territory. The British bureau of information announced here tonight in a review of the activities of the British independent air force.

A 250-mile belt of the Rhine valley in which are located the principal German military and industrial systems, vital to maintenance of the Teuton lines in France, has been brought definitely into the war zone, the statement said. Flares of the independent air forces have raided enemy territory 243 times and dropped 247 tons of bombs, destroying or damaging munition and poison gas factories, railway stations and trains. It was stated, the attacks have had a widespread moral effect, directly resulting in public meetings in the Rhine towns demanding cessation of aerial warfare.

R. A. M. CONVENTION ELECTS OFFICERS

BALTIMORE, Oct. 3.—The thirty-seventh annual convention of the Grand Chapter of Royal Arch Masons of the United States closed tonight with a banquet. Gustav Eitel of Baltimore was elected general grand treasurer; Frederick W. Craig, 1st, was chosen grand high priest.

COCOANUT CHARCOAL FOR U. S. GAS MASKS

MANILA, Oct. 3.—The first shipment of coconut charcoal for use in the manufacture of gas masks has been made to the United States in ship.

HOME GUARDS TO ASSIST IN LOAN

SACRAMENTO, Cal., Oct. 2.—Adjutant General J. J. Barrow issued an order today directing the calling of the national guards and home guard companies in California to report to the Liberty loan committee in their respective districts "for such duty as the committee may assign them."

Individual members of the organizations were called upon to "render every service possible in this important drive."

IRELAND GIVEN GORGAS' PLACE

Noted Army Surgeon May Be Assigned to Allied Council

WASHINGTON, Oct. 3.—Major General Merritt W. Ireland, medical corps, was today nominated by President Wilson to be surgeon general of the army, for the period of four years beginning October 4, 1918, vice Major General William C. Gorgas, to be retired on October 5.

Surgeon General Gorgas is in Europe. It is said he may remain there as the medical representative of the United States army at the inter-allied war council.

General Gorgas earned a world-wide reputation as a sanitarian when the Panama canal zone was swept clear of plague. It appears probable that he will have great tasks of a similar nature before him in cleaning up the territory recaptured from the enemy.

Crozier Out

WASHINGTON, Oct. 3.—President Wilson today notified the Senate he had withdrawn the nomination for reappointment as chief of ordinance of Major General William Crozier. This was submitted December 13, last, but the Senate failed to act upon it.

General Crozier is now in command of the northeastern department. He will retain his rank of major general and probably continue in charge of the northeastern department until the date of his retirement, which is less than a year away.

Many Nominations

WASHINGTON, Oct. 3.—Brigadier General Peter C. Harris was nominated today by President Wilson to be adjutant general of the army with the rank of major general for a period of four years beginning September 1, 1918. He succeeds Major Henry P. McCain, who recently was appointed to command a division.

Eleven brigadier generals were nominated by President Wilson today to be major generals for the war period. They are:

Guy Carleton, DeRosier C. Cabell, William H. Hay, Frank L. Winn, Edmund Willenmyer, Mark L. Hersey, Henry J. Jervis, Clement A. F. Frazier, Charles D. Rhodes, Joseph D. Leitch and Hanson E. Ely.

Eight captains of the navy were nominated to be temporary rear admirals, as follows:

Newton A. McCully, Henry F. Bryan, Andrew T. Long, Thomas Washington, Guy Hamilton, Burrage, Ashley H. Robertson, Carlo B. Brittain, and Samuel S. Robinson.

Medical directors Robert H. Kennedy and Albert N. D. McCormick and Pay Director Charles S. Williams of the navy were nominated to the rank of rear admiral for temporary service.

William S. Scott, a colonel of regular cavalry, was nominated to be brigadier general in the regular army.

Colonels were named to be brigadiers for the war period as follows:

Three R. Rivers, John W. Heard, Farrand Sayre, George O. Cross, William C. Rivers, Francis J. Koester, John D. L. Hartman, Edward Anderson, William T. Littlehale, William D. Johnson, James H. Lindsay, Daniel W. Ketcham, Vernon A. Caldwell, George D. Moore, Harold P. Howard, John B. Bennett, Melville S. Jarvis, Herbert O. Williams, Albert C. Dalton, Edward Sigler, Harrison J. Prior, Walter C. Short, George C. Barnhart, Robert W. Means, Edward L. Munson, George H. McManus, William R. Snedberg, Jr., Matthew C. Smith, Paul B. Malone, Frank S. Cocheu, William E. Wells, John W. Barker, Louis M. Nuttman, Benjamin T. Simmons, Frederick R. Shaw, William C. Cochran, Clarence H. McNeil, Charles B. Drake, Reynolds J. Burt, Rufus E. Longan, William M. Fassett, Henry W. Fintner, Marcelinus G. Spinks, William K. Nayler, Charles H. Kilbourne, Campbell King, Percy P. Bishop, John W. Kilbreth, Jr., Hugh A. Drum, Daniel F. Craig, George S. Simmons, Stuart Heintzelman, Orval H. Townsend, Daniel W. Hand, Robert I. Ross, Belton H. Disque, Archibald H. Sunderland, Laurin L. Lawson, Dennis H. Currie, James H. Bryson, Lesley J. McNair, George R. Allen, Pelham D. Clifford, William Dryden, Charles S. Blakely, Sanford B. Stanberry, Charles L. DeBoris, William H. Rice.

Other nominations for temporary promotions include:

Brigadier generals, quartermasters corps: Colonels John M. Carson, Harry E. Wilkins, Albert D. Knicker, Charles B. Krontzoff and John F. Madden.

Brigadier generals, medical corps: Colonels James M. Cleannan, John M. T. Finney, William E. Thayer.

Brigadier generals, engineers: Colonels Herbert C. Quinlan, William K. Nayler, Sherman A. Cheney, Avery D. Andrews, Charles D. Dawes.

Brigadier generals of ordnance: Colonel Charles C. Jamieson.

Brigadier general, signal corps: Colonel George S. Cochran.

Brigadier general, air service: Colonel William Mitchell.

NURSING CORPS TO BE ORGANIZED LOCALLY

Steps Taken to Meet
Epidemic If It
Comes West

Nurses to Be Registered
for Transfer If Needed
Elsewhere

The seriousness of possibilities of the current epidemic of Spanish influenza spreading westward has been grasped by the Red Cross Bureau of Nursing, and Miss Virginia Applegate, chairman of the local Red Cross Nursing committee, yesterday received a communication from Miss Lillian L. White, director of the Bureau of Nursing, outlining the organization of nurses.

The letter in full is as follows: I am just in receipt of directions from Miss Clara D. Noyes, American Red Cross, Washington, D. C., to proceed as follows in order to meet the present epidemic, realizing this may become a very serious matter:

Will you get as many home defense nurses as you possibly can who will be available at a moment's notice in case we wish to call them to go to one of our cantonments where needed for this epidemic work.

In addition to this will you form a group of ten people, with a competent home defense nurse in charge, the group to be made up of attendants, practical nurses, or those who have had the course in Elementary Hygiene and Home Care for the Sick. Such a group can be utilized in certain places where the authorities would be agreeable and who would work under direction.

In addition to nurses already enrolled as home defense nurses, you may take in a graduate nurse who is willing to go and have her enroll as a home defense nurse, and also, of course, any nurses who have previously been enrolled and have not been eligible, but be sure not to take anyone who has sent in her availability for earlier than November 15.

Kindly keep a careful record of all nurses and others whom you have signed up for this work, and keep me in touch with them, so at a moment's notice I will know just where to write for a certain group.

I am sending you three dozen masks in order that nurses may be supplied with two apiece when going out.

Twa Mouthfu's o' Naething

Me-o-my-o-me!
I foun' somethin'
At th' Salvage Shop
O' th' Red Cross
Th' ither day
Thot I maun share
Wi th' rest o' ye:
It's been twenty year
Since I sent aff
Five twa-cent stamps
An' got back
Somebody's Handbuke
O' Usefu' Information.
An' I hevna seen one since
Till I foun' this one,
But it seems like
An' auld frien';
I'm findin' oot again
Hoo tae stert oop
A baky hoorse,
An' hoo tae remove
Th' smell-o' paint
Frae a room,
An' a' about th' winners
O' th' human body,
An' th' salaries
O' railway messengers
Frae Tamarack tae Chester, Ill.
An' th' language o' flowers,
An' hoo tae read
Yir gas meter,
An' whit tae write
When ye're handit
An' Album
Be th' lass ye love,
Somethin' verra choice bein'
"Remember me
When far, far off,
Where th' woodchucks die
O' th' whoopin' cough."
An' hoo monny pounds
O' baggage
Will be carried free
Be th' railroads,
An' thot chalk
Is th' common name
Fir Carbonate Calcium.
An' thot a pan
O' sliced onions
Placed in a room

Where there is diphtheria,
Wull absorb th' poison
An' maun be buried ilka day
An' fresh ones sliced,
An' thot th' way
O' business men
Tae get rich,
Is tae be punctual
In payin' their bills,
An' thot "Puir Richard" says
"Monny a mickle
Mak's a muckle."
O' it juist beats a'
Hoo muckle o' interest
A body can find
In sic a volume:
I mind recht weel
Thot it wes me custom
In th' lang syne,
Tae keep me copy
Oot in th' stable
An' absorb facts
Intae me system
Whilst I rubbed awa'
At Bess an' Harry
Wi th' currycomb.
An' I make nae doobt
Thot I overluiked
Monny a smith o' dust
Unner their bellies,
Whilst infoomin' mesel'
O' th' proper age
Fir a lass tae wed,
Or th' population
O' th' Hawaiian Islands
Prior tae th' cannin'
O' th' missionaries.
Knowledge is power,
Says some lad,
An' th' o' mine,
In those days
I maun hae been
An intellectual giant
For I wes crammed in
An' runnin' ower,
An' a thoozan' facts:
I wes a soort o' dish
Stoppin' ower
Wi hashed knowledge
Yir Frien',
SCOTTY

HOLD BARKER FUNERAL TODAY

Mrs. Mary Barker of Sacramento died yesterday while visiting at the home of Mr. and Mrs. J. W. Angove.

near Kerman. Mrs. Barker made her home with a daughter, Mrs. A. M. Sparrow, and is survived by another daughter, Mrs. Ethel Hinton, in England. She was a widow and 64 years old. She had formerly resided near Fresno.

Funeral services will be held from the Fresno Crematory chapel at 2 o'clock today. J. L. Huddell officiating. The arrangements are in the hands of the R. A. Powell Undertaking company.

LAST RITES FOR JOSIAH WALTON

Public funeral services for Josiah Walton, who died at the residence, 1414 Abby street, Wednesday, will be held at 10 o'clock today from Lisle Bros. chapel. Rev. Mark Hodgson, pastor of St. Paul's Methodist church, will officiate.

A number of vocal selections will be given by Miss Nellie Ireland. The following will act as pallbearers: W. H. Harris, George W. Turner, J. H. Pierson, Dr. E. L. Hopkins, Bud Hall, R. N. Barstow. Interment in Mount View cemetery.

MUST RETURN U. S. REGISTERED MAIL

Further instructions regarding soldiers' and sailors' mail have been received by the local postoffice, which state that without the collecting of additional registry fee, registered mail addressed to members of the naval and military forces of the United States must be returned to the postoffice by mail order for forwarding to addresses or return to senders, such mail being marked "Re-registered after delivery," also "Forwarded" or "Returned."

The instructions cover the following: The condition of registered articles remailed after delivery to mail orderlies should be carefully noted. If not in good condition or bearing evidence of tampering, they should be repaired where necessary with official sealing stamps, or resealed with bad-order envelopes at the postoffice. The office record as well as the receipt given to the mail orderlies should be indorsed to show when an article is not in good condition. If an article is found in the ordinary mail instead of having been presented at the postoffice by the orderlies, note in this effect should also be made on the office record and on the receipt which should be sent to the orderlies with information that in future such articles should be presented for registration.

"Such watch should be kept to prevent the forwarding, or return as ordinary mail, of registered articles which the orderlies may have placed in the ordinary mail for forwarding or returning, instead of presenting the articles at the postoffice or a station and securing receipt therefor."

CONTRACTORS SEEK BUILDING PERMITS

Contractors, builders and others contemplating the erection of building within the county have been in communication with the non-war construction committee of Fresno county at its office at 204 Cory building, Fresno, in large numbers during the past few days, for approval of permits to begin construction. Many of the permits approved of by the committee were for the erection of raising driers and sheds. These, it was stated, were granted without hesitation.

The committee yesterday issued instructions to the city clerk within the county regarding the operation of the non-war construction program. It was pointed out that the local committee is empowered to approve of the erection of farm buildings at a cost not to exceed \$1,000, or of repairs to existing buildings where the cost does not exceed \$2,500.

Secretary Thomas E. Riley said that the committee was pleased at the response and co-operation of the public in its efforts to put the government's instructions into effect.

AUTO WRECK AT FAIR TODAY

Dancers Who Will Appear in Parisian Ballet Tonight, at Fresno District Fair.

Collision Will Be Staged at 2 O'Clock on Track

A big automobile wreck is to be staged at the Fresno District Fair this afternoon at 2 o'clock, on the track in front of the grandstand. Two big machines, in one of which will be seated a figure of the devil and in the other of which will be seated a figure of the Kaiser, will crash together after racing a quarter of a mile. It is estimated that they will reach a speed of at least 50 miles an hour.

The Fair Association has had special sleeping devices arranged for these cars so as to insure a collision and a real thriller is promised.

Military Fliers to Do Stunts at Fair, Saturday

Two military aviators from Mather Field, Sacramento, will drop liberty loan messages on the people of Fresno at the Fresno District Fair grounds on Saturday afternoon, in the course of the automobile races. The men will fly directly from Sacramento. Roy Harrington, a Fresno boy, will be one of them and the other will be Lieutenant Haffington, instructor in aerial maneuvers at Mather Field, who will show some of the things fliers in the war zone do in their daily rounds.

His flying was regarded as the best feature of the California State Fair.

ANOTHER BIG DAY AT FAIR GROUNDS

Four County Towns Join in Celebrating Rodeo Again Feature

Four county towns, Sanger, Reedley, Parlier and Tulare, celebrated at the Fresno District Fair yesterday and a very good attendance was reported. The rodeo was again the feature of the afternoon's entertainment program and once more the crowd was treated to plenty of thrills, as well as excellent exhibitions of horsemanship. Patriotic touches were also furnished again in the second appearance of soldier riders in the rodeo, the community sing in which the entire audience participated, and Four Minute speeches in the interest of the Liberty loan campaign.

The exhibits in the various buildings were all well patronized but of all the tractor show seems to create the most general interest. This show is four times as large as any similar show ever held in the city.

The fireworks display of Wednesday night was repeated last night and will again be given tonight. Once more the "Over the Top" scene brought a wild outburst of applause.

Special dances by Fresno young women were also a part of last night's program. "Parisian Ballet" will be given tonight, participated in by the following: Nella Bell Scott, Bobby Blake, Joyce Pearce, Mildred Smith, Harriet Black, Lurline Jones, Alice Pierce, Maude Collins, Dorothy Phillips, Helen Scott, Florence Collins and Margaret Graves.

AUTO RACERS HOLD FIRST PRACTICE

Turn Fast Miles at Fair Track; Will Appear Saturday

The automobile racers, who are to compete at the Fresno District Fair on Saturday afternoon, were given their first opportunity yesterday afternoon to practice on the fair track. The big cars were opened up after the regular afternoon program had been completed.

Six of the best racers ever seen in Fresno will be seen in action on Saturday, among them being Eddie Pullen, holder of the world record for road racing, A. H. Patterson, Cliff Dugan and E. M. Karter are some of the others.

Two events are on the program, a free for all of thirty miles, run in ten mile heats and a match race between Patterson and Dugan for a purse of \$1,000, winner take all.

Something of the speed to be expected Saturday was seen in the first spins yesterday. In the first lap around the track, Patterson negotiated the mile in 1:54 flat.

REGULATES PRICE ON CHEESE SALES

Regulation of prices in all kinds of goods is announced in a bulletin received by the Fresno chamber of commerce yesterday. The attention of retail dealers in cheese is called to the fact that the order of the food administration, the order insists that the business dealing in cheese shall sell cheese without regard to market or replacement value at not more than a reasonable advance over the cost of the particular cheese sold.

The order stipulates that for the purpose of the order a "reasonable advance" in selling American or Cheddar cheese is 6 cents or 7 cents per pound over cost. The 6 cents represents the maximum margin for stores conducted on the cash and carry or no service plan, while 7 cents per pound is the maximum for extra service stores giving credit and delivery.

The "cost price" is considered for the purpose of order. 1. Purchase price; 2. Transportation charges, if any; 3. Storage charges actually incurred, provided that the cheese has been in storage more than 60 days; 4. Insurance charges, actually incurred, provided that the cheese has been in storage more than 60 days; 5. Interest on money invested at the current rate, provided that the cheese has been in storage more than 60 days; 6. Actual cost of packaging, if any, not to exceed one-fourth cent per pound.

A Stitch In Time Saves Nine

We all say this, but few act on it. Do not injure your eyes by postponing the use of glasses, for you can easily harm them beyond remedy. Lenses cannot reduce wasted motion, or worn out muscles, but they will give normal vision where the eyes are not permanently injured, and will prevent both nerves and muscles from degenerating. If you are conscious of the least strain in seeing at a distance, or in reading, have your eyes examined at once, and purchase proper glasses. I am qualified by sixteen years' experience to do this work for you.

SERB VOLUNTEERS OFF FOR WAR

Eleven stalwart sons of Adriatic coast land go with officer to fight the Hun. Top row—S. E. Kentara, A. Zonovich, G. Stojanovich, S. L. Kentara, G. Zonovich and M. Labus. Lower row—M. Gurasovich, M. Pavlovich, Lieutenant Sime Vucetich, P. Rafailovich and J. Igumanovich.

SERB VOLUNTEERS
LEAVE FOR WAR

Fresno Colony Sends Out
11 Soldiers to Europe;
Parade to Train

Eleven Serb volunteers left Fresno yesterday on their way to Europe, where they will train at one of the Allied camps and prepare to enter the war for the liberation of their native land. They were accompanied to San Francisco by Lieutenant Sime Vucetich, who has been recruiting men in Fresno for the last week. Captain Sime Vucetich, who has also been recruiting here and the lieutenant both attended the reception in honor of the departing men at Woodman hall Wednesday night.

Those who left yesterday were M. Pavlovich, J. Igumanovich, M. Gurasovich, S. E. Kentara, S. L. Kentara, G. Zonovich, A. Zonovich, P. Rafailovich, M. Labus, J. Igumanovich and G. Stojanovich.

A band of fourteen pieces, Mayor Toomey, Truman Hart and other local officials accompanied the volunteers from the hall to the Southern Pacific depot yesterday morning. More than 100 Serbians, men, women and children, followed the little band. The American and Serb flags were flying at the head of the column. All but two of the Serbians came to America from Dalmatia, and these two from Montenegro, practically all coming from and around the Gulf of Cattaro.

NORMAL STUDENTS
ELECT OFFICERS

Organization and appointment of officers for the different student activities took place at the Fresno State Normal yesterday. The various social, athletic and class clubs are reported to be preparing for the winter's work.

The Glee club members met and elected the following officers: President, Marguerite Coburn; vice-president, Katherine Chandler; secretary, Hazel Thomas; treasurer, Eugene Wuerth; librarian, Pearl Schatz. It was announced at the meeting that the work for the present year would be devoted to patriotic songs with probably a few special numbers. A. G. Wahlberg is the conductor.

The various chesses met and elected officers for the term. In the senior class Eldora De Moss was elected president; Mabel Shepherd, secretary; Nell Wilhoit, treasurer. The following officers were elected by the Junior class: President, Alice Brophy; vice-president, Lois Miller; secretary, Ruth Hart; and treasurer, Ella Chambers. The special class members elected the following officers: President, Cora Hughes; vice-president, Maudie Wilhoit; secretary and treasurer, Martha Klud.

It was announced that several inter-class contests will be arranged for at an early date. The classes are stated to be evenly matched in respect of numbers, and the prospects for keen competition are said to be good.

The Normal school classes will have short sessions this morning on account of the children and students attending the district fair.

MUSICAL VENTURE
TO BE DISCUSSED

Consideration of the terms on which the Paris Symphony orchestra can be brought to Fresno will take place this afternoon at 1 o'clock in the Commercial club, when the Fresno county chamber of commerce, the Fresno Musical club, the Fresno Merchants' association and the Commercial club representatives and others interested will meet with the promoter of the concert. The sum asked for bringing the orchestra to Fresno is stated to be \$3,500, part of which, it is said, will go to the Red Cross.

Secretary H. E. Peterson of the chamber of commerce said that the question of bringing the orchestra to Fresno had been submitted to them, and he had been authorized to say that on such a venture at the present time the chamber did not wish to speak on behalf of the community but if the people of the district expressed a desire to have the orchestra then the chamber would give it its support. The recent heavy rains with the resultant effect on the music crop, and the drive for the fourth Liberty loan, Peterson said, were considered as being likely to affect the attendance of the general public.

It was stated that it has been proposed to sell the seats at prices ranging from \$1 up, the average prices to be \$1.50.

The orchestra is composed of 117 pieces, and the members are Frenchmen of high musical reputation in France where many of them were instructors in French colleges. Most of

PIGEONS ADD TO
SALVAGE FUNDS

With new shelves and cases and a systematic arrangement of things, the Red Cross Salvage Shop is taking on the aspect of a regular mercantile establishment, and with the establishment of householders in their homes for the winter, after the summer exodus, all sorts of bric-a-brac, and articles of clothing and furniture are finding themselves do drop in the home, and very welcome additions to the merchandise of the shop.

A fine pair of runt pigeons sold yesterday for \$2.50 and a New Zealand rabbit brought \$1.50. A beautifully hand crocheted yoke was brought in and remained in the shop for about an hour before some shopper, appreciative of hand work, took it off with her and left the substantial sum of \$5 in its place. Members of the Red Cross Motor corps assisted in the collection of articles yesterday.

Ladies of Grace M. E. church, with Mrs. B. C. DeGarmo as chairman, had charge of the shop yesterday, and today the ladies of the First Presbyterian church will assume similar duties.

them, it is stated, have served their country in the army, and have been released on account of wounds.

Grand Military Ball given by the Home Guards at the Auditorium Saturday night, Oct. 5. Beginning of the season's dances.

DEAD MAN FOUND
UP IN FIG TREE

With his belt tightly wound around his neck and fastened to the limbs of a fig tree with a piece of building wire, the dead body of George Chrenowich of Dunlap, was found on the Cabot ranch about three miles southwest of Fresno yesterday.

The body which had evidently been hanging there for several days was discovered by workmen in turning ruts in the field. While there was a strap about the neck, the body was also resting on a lower limb in a sitting posture.

A note saying that no blame should be attached to the man with him and that he (Vick) was losing his mind and had better be at rest was found on his person. He also has two sisters at Antioch. A hunting license giving his age as 35 years and an unexpired questionnaire were also found. His collar and necktie had been removed and neatly folded and placed in his hip pocket. Coroner Dean may hold an inquest today.

"HOT DOG FRITZ"
RUNS POKER GAME

As the result of conducting an alleged poker game, part of the day yesterday in the Sequoia hotel, Fred Frisch, commonly known as "Hot Dog Fritz," caused so much disturbance, when ejected by Manager E. C. White, it was necessary to call the police and lodge him in jail. He was booked under the charge of disturbing the peace.

According to White, Frisch had rented the room in the morning without informing the clerk of his object or identity, and with three others was apparently engaged in a "stiff" poker game, when asked to leave. Having secured possession with baggage, he refused to pay, saying "you get it," striking at Mr. White at the same time. The blow was guarded off and Frisch kept up the fight through the corridor, and in his rage dashed through the plate glass door.

He then struck at Mr. Slayter, a guest, who promptly knocked him down a couple of times, when he was taken in charge by Patrolman Shoun. He continued fighting until lodged in jail. Mr. White claims to have made no effort to fight him at all, only keeping off his blows. He may sweat out a complaint today.

Quite a stack of bills and currency was on the table at the time. The game was discovered by a bellboy hearing the clink of money.

NICELEY INJURED
BY AUTO COLLISION

In trying to avoid a collision with an auto driven by A. P. Mikkelson, a rancher living three miles south of town on Walnut avenue, City Traffic Officer Niceley was severely bruised at L and Ivey streets shortly before noon yesterday. Although Niceley, who was going south on L, was hugging the corner in trying to avoid the collision, he was hit by the auto coming from the west. He was taken to the emergency hospital, where attention was given him by Dr. Kjaerbye, and was later removed to his home, 3333 Tulare street.

Mikkelson, who is alleged to be near-sighted, was arrested for violating the state motor act by cutting corners.

WATER USERS TO
CONFER TODAY

The Fresno District Water Users' Association directors have called a meeting of the board at 10 o'clock this morning to discuss the situation created by the riding of the supreme court that the Home Canal company and interlarded the Fresno company are not public utilities. Members of the board include J. E. Dickinson, W. Chandler, M. W. Barker, L. M. Say of Parlier, C. A. Parlier of Parlier and Walter Wrightson of Fowler.

The meeting will be held at Mr. Sechols' office in the Griffith-McKenzie building. L. L. Cory, attorney for the Water Users, who filed a bid in the case, probably will attend the meeting. The attitude of the Water Users in probability will be defined following a series of meetings.

CHILD AIDS RED CROSS

By making scrap books of the county newspaper, supplement and selling them, 11-year-old Anna Grassmiller, 2317 Ventura avenue, raised the sum of \$2.50 for the Red Cross fund recently. She attends the American school.

DR. F. L. R. BURKS PROMOTED
Since his arrival at Camp Shelby, Miss. Dr. F. L. R. Burks has been promoted to a captaincy, according to word just received by his former associates. Dr. L. E. Bennett and Wagon. On entering the service he was given the rank of lieutenant.

SOCIETY

Dr. and Mrs. E. K. Pomeroy, who are members of the Kappa Kappa Gamma society, left for San Diego recently where the former was called into the medical service of the United States army. They have been joined by Mrs. L. I. Pomeroy, who has been spending the past week with them at the U. S. Grant Hotel.

Mrs. Arch Jack, who leaves in a fortnight or so for New York to sail for "over there" as a member of the Y. M. C. A. entertainment committee, was made the honor guest at a prettily appointed luncheon given yesterday by Mrs. G. W. Walker at her home on L street. Dainties and asters were attractively combined in the table decorations, and bridge provided an afternoon diversion.

Among those included in the party were Mrs. Arch Jack, Mrs. C. H. Riege, Mrs. E. K. Munheim, Mrs. J. H. Walker, Mrs. Norman Ginn, Mrs. Arthur Perkins, Miss Anne Mox, Miss Ruby Olney.

Miss Margaret Cory, who has been spending some time in San Francisco, taking a course of instruction at Monson's School for Private Secretaries, will leave next week for Pasadena, where she will be present at the marriage of her cousin, Miss Helen Ledward. Miss Cory and Miss Ledward have been particularly congenial, and aside from their relationship, were classmates at Stanford University, and

Miss Dorothy Forsyth entertained informally at a tea yesterday afternoon at her country home, complimenting Miss Onelide Madison, of San Francisco, who is enjoying a visit with her Fresno friends.

Mrs. C. B. Shaver and her daughter, Miss Doris Shaver, who left recently for New York, for a visit with the latter's fiancé, Harold McDonald, who is in training in the naval aviation on Long Island, have taken a house at Rockaway Park, for the early fall months.

Mr. and Mrs. Everett Wilcox are leaving today for Academy, where they will spend the winter at the D. C. Sample ranch.

Mr. and Mrs. C. T. Charles have just purchased an attractive new home in the Wilson tract, where they will shortly be established.

Mrs. J. H. Hunter will leave next week for San Francisco to spend a week or so.

Joe Collins, who has been in training at San Pedro, at the Naval Training School, has been called home by the death of his father, J. D. Collins, and has joined Mrs. Collins, who is

Arrivals Overseas

THREE MORE YANKS FROM THE VALLEY
Top—Gust A. Carlson, William Campbell and Leslie, M. Hill.

Gust A. Carlson has arrived in Fresno, according to word received to U. S. Carlson of Kingsburg. He is a member of the 11th Engineers, and left Fresno in June for Camp Kearny, where he remained in training till he sailed for Europe.

Word has been received by Mr. and Mrs. J. Campbell, 1331 Wilson avenue, received recently for a visit with her parents, Dr. and Mrs. J. C. Cooper.

Mrs. Eva Brown is expected home shortly from a summer outing in San Francisco and a later visit with her daughter, Mrs. Fred Burnham (Glen Brown) at her home in Stockton.

Mrs. M. Sailer has returned from Palo Alto, where she accompanied her daughter, Miss Adelbert Sailer, who recently entered Stanford University.

Red Cross auxiliary which meets at First Christian church will hold no meeting today (Friday) on account of lack of material.

Mrs. Clarence Brown, of Excelsior, Wisconsin, left on Monday night for her home, after a visit in town with Mrs. Ous Santoni, Mrs. Herman Grode and Mrs. J. A. Weld.

The First Division of the Ladies' Aid Society of the First M. E. Church will meet this afternoon with Mrs. C. P. Cain. All members are asked to be in attendance.

Mrs. C. P. Cain has been enjoying a visit from her sister, and husband, Mr. and Mrs. C. L. Huddins, of Cedar Rapids, Iowa, and also her mother, Mrs. T. W. Syde, of Long Beach.

A community social is to be featured this evening at the Arlington Heights Presbyterian church at 8 o'clock.

Mrs. Sophie Gilbert is spending several weeks in San Francisco.

Mr. and Mrs. S. L. Platt have received word of the arrival overseas of their son, Lawrence Platt, who has had command of a gun crew on a merchant vessel plying in Atlantic waters.

The Northside Christian Church Red Cross auxiliary will not meet as usual today, owing to the lack of material. Further meetings will await the arrival of this material.

NOTICE

Admission to the Fair Grounds 25c every day as usual. Grandstand seats for Auto Races Saturday \$1.00.—Advertisement.

Club News

"Homecoming Day" was featured at the meeting of the Ladies' Aid Society of the First M. E. Church yesterday afternoon. With a large attendance, the program presented the atmosphere and the spirit was accentuated by the ensemble singing of America, led by Miss Doris Anselmi, with Mrs. Henry Harrison at the piano. William Glass, chairman of the program, delivered the address. He was one of the speakers of the afternoon, telling of the work in Fresno and dwelling on co-operation as the key note of the service. He also mentioned the various opportunities for service.

C. E. Ryland, contributed a group of songs, including "Let's Sing to King," "Just Her Way," "Alkin," and "Honor's Call" by Moten.

Mrs. C. P. Cain, president of the club, outlined the work for the year.

Mrs. W. A. Fitzgerald, president of the San Joaquin Valley District Federation of Women's Clubs, talked on district activities, and then in her capacity as chairman of the woman's committee of the Liberty loan, she gave a splendid talk on woman's part in helping the government.

At the close of the afternoon, the Red Cross auxiliary of the club served tea, the sum raised will go to the Red Cross treasury.

Next Thursday night, the annual celebration of President's Day will be observed, with an evening with Charles Keller, the poet, who will give a program of readings.

All enlisted men, their wives and mothers are invited to share the interests of the occasion with the club members.

The first meeting of the full season of the executive board of the San Joaquin Valley District Federation of Women's Clubs will be held today at Strathmore. An interesting day is in anticipation and among those who will go over from Fresno are Mrs. W. A. Fitzgerald, president, and Mrs. S. L. Platt.

The Friday Club will observe the opening of club life after the summer holidays, at a meeting to be held this afternoon at the home of Mrs. Frank Cardwell.

The Women's Improvement Club of Des Palms opened the club year with its first meeting on Saturday. Vacation activities shared tables with the coming work to be taken up. The detailed study of France, which had been contemplated has been tabled in favor of the most up-to-date war interests, as topics of study. An active winter is planned by the club.

The Coolidge Parent-Teacher Association held the first meeting of the present school year in the Sunset school Tuesday afternoon. The members present unanimously voted to have a movement for providing a playground for the children of Coolidge, and Wednesday evening, October 2, was chosen for a meeting of representatives of various organizations of this city to look into the possibilities.

The association will hold a public reception for all the teachers of Coolidge to be held in the Sunset school auditorium Friday evening, October 18. This will be a busy year for the association, as it is National Child-Welfare year, in addition to all the usual local activities.

The Coolidge Women's Club held the first meeting after the summer vacation Wednesday afternoon, October 2. It was arranged to have speakers come to Coolidge to speak on the legislative, executive, and judicial branches of government, especially health, insurance and community interest. These speakers are sent out by the California Federation of Women's Clubs and will appear locally in the Library Auditorium Tuesday afternoon, October 8, at 2 o'clock. This meeting is open to the public and everyone is urged to attend and get some light on these amendments. The club voted to adopt a little Belgian child, and to support the playground movement recently started by the Parent-Teacher Association.

GETS INQUIRIES
Inquiries from Mexico regarding the farming and fruit possibilities of Fresno county came to the Chamber of Commerce yesterday through the American consul, A. L. Hosking, at Tuxpan, Mexico. Hosking stated that he had received many inquiries regarding this section and said he wished to be supplied with any literature and information the chamber could furnish.

Secretary Patterson stated that he was sending the consul the chamber's publications on Fresno's products and possibilities.

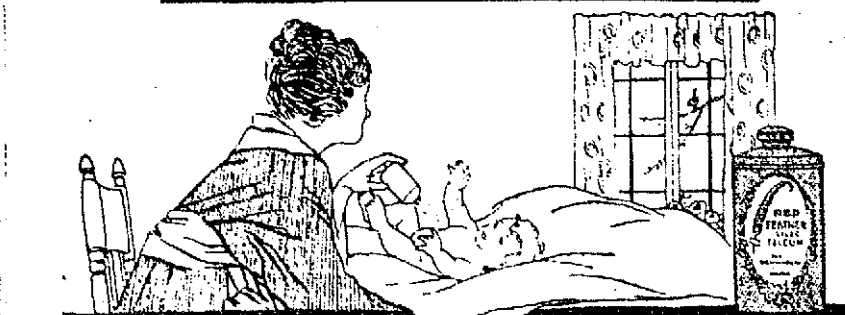

Dr. Sorenson, dentist, moved today.—Advertisement.

YOU GET WHAT YOU ASK FOR in an Owl Drug Store—there is nothing else "just as good." This slogan reflects one of the foundation Policies of The Owl Drug Co.

Red Feather Talcum Powder 15c

The Great War-time Quality and Value Feature

The manufacturers of this popular talcum have accomplished what has been generally admitted to be next to impossible—they have maintained the original selling price without changing the quality or quantity.

15 cents still buys a generous size can of the purest talcum powder, and you have choice of three colors—Rose, Violet, or Lilac.

This, and all other nationally popular talcum powders, are featured in all Owl Drug Stores:

Wool Powder Puffs 10c

Delicate, fluffy, double-faced wool puffs are still dominant in all Owl Drug store stocks, and they still sell at 10c. Ribbon straps in white, pink, or blue. Larger sizes 15c, 25c and 35c.

Merck's Stearate of Zinc 19c

A soothing and healing powder for baby's tender skin. Men favor it for after shaving. In shaker-top tins, 19c—at all Owl Drug Stores.

Ingram's Milkweed Cream

"There's Beauty in Every Jar"

A concentrated combination of purified healing and soothing oils and special medicinal substances. Effective as a relief from tan, sunburn, skin roughness and irritation. It removes, rather than conceals, imperfections. In 45c and 90c jars.

AT THE FAIR

WAR BULLETINS

Latest bulletins are posted at our booth, hot off the wire. The only service of this kind at the Fair Grounds.

Marmon

We are showing two models of the famous Model 34 Marmons. The fact that these are the last Marmons which we will receive while the war lasts might be of interest to anyone who expects to purchase a high grade car. The Marmon factories are now building Liberty Motors for use over Germany.

Mitchell

Yesterday we received the first of a new series, Mitchell Six. It was immediately surrounded by an interested group of automobile fans. The long springs, enameled finish and countless patented features set this car apart from others as possessing unusual value. It sells for \$1,650.00.

Maxwell

A Maxwell Sedan and a Maxwell Touring Car represent the famous six-inch frame line.

The touring car has a special paint job as well as special top—a product of the Phelan shops.

If you want to know what we can do to make your old car look handsome, inspect this Maxwell.

MAXWELL, MITCHELL, MARMON

"Double Time" Is Given Draft Men; Drill Tonight

Last night's military drill for draft men brought out three times as many men as were enrolled.

After an hour and a half of snappy drill, a majority of these present were to return tonight and drill for the fifth time this week. A number of recruits are also expected tonight. More than 100 went through the formation and then marched to the home of H. Street and back under command of Major Ed Jones of the House Guard.

After Jones gave the men several brief drills in "double time" and at the end of the exercises spoke briefly on the reasons for conscientious and strenuous drilling.

"If I were a man in the first draft, I would close up business as quickly as possible, get a pair of military shoes, and get out on the county roads for ten or fifteen mile walks," he said. "This drill is going to count when you get to training camp, and it is going to hasten the end of the war," Capt. S. J. Galtner said at one of the drills that the men who participate in the preliminary training under voluntary leadership would be picked out immediately by the trained eye of the command officers and probably be made into a non-commissioned officer. Hundreds of trained men from Fresno are now leading troops in the war.

The military meeting to have been held at Kingsburg last night was postponed on account of the serious rain situation, and will be held one day next week. The drills meeting will be held tonight. A "Clubs" committee making arrangements. Captain Galtner and Frank A. Bonny, district chairman of the Council of Defense, will speak.

Lieut. Fernand Doty will lead the class in Fresno tonight. Captain Galtner, Sergeant A. D. Brown, Sergeant J. E. Smith, E. J. Crawford and Henry Hopkins assisted Major Jones last night.

AGED DEAD MAN IS HENRY MARTIN

The aged unidentified man who died in the Oak and 2nd streets, Mariposa street, Wednesday night, is believed to be Henry H. Martin, according to Coroner Bean, who has been investigating the matter. The document was a notice of removal, and was 20 years old. He is said to have married at Madrid, where he spent most of his time.

An autopsy performed by Dr. W. H. Burke, Jr., showed death to have been caused by kidney trouble. An inquest may be held today. The time of the funeral service will be announced by Stephens and Bean.

You wouldn't walk 'round the block to cross the street. Why make a big fire, boil a lot of water, stand over steaming tubs, rub hard on washboard, tire your muscles, wear holes in garments, use a lot of fuel—to get Monday's wash done?

Use FELS-NAPTHA
the direct-to-results soap.

BURNING CITIES REPRISALS FOR

Points in Germany May
Be Marked Out by
Allies

WASHINGTON, Oct. 3. — An ultimatum to Germany regarding the ruthless destruction of cities and private property in Northern France and Belgium is being urged on the Allies and the United States and is under consideration.

The burning of Cambrai and St. Quentin and the devastation of one of the most populous regions as the Germans retreat, has aroused great indignation and it was said in diplomatic circles today that Germany would be warned soon that if she allows the work of destruction to continue severe reprisals will follow.

It is suggested that the cities of the Rhine should be marked for destruction and the Berlin government told that for every French and Belgian city ruined without military reason, a city equally important and valuable sentimentally and materially will be laid waste.

An official dispatch from France quotes the Petit Parisien as follows:

"Cambrai is burning. This is the new crime accomplished by those great destroyers of life. Cambrai, the historical city with all her memories of the past; Cambrai, the modern town with its industries, is falling to pieces; among a red and black whirlwind of sparks and flames. Cambrai is at the present moment but an enormous fire fire. The Germans have left, but threw as they went, their incendiary torches on the valuable remembrances of ancient France. Our Allies who had taken such precautions to save the town contemplate horror-stricken, the Germans' impious work."

Grand Military Ball given by the Home Guards at the Auditorium Saturday night, Oct. 5. Beginning of the season's dances.

—Advertiser's comment.

All Registrants Must Watch for Questionnaires

Questionnaires are being mailed each day to ten per cent of the total number of draft registrants in Fresno city and county between the ages of 19 and 20, inclusive, and 32 and 36, inclusive. Each registrant is allowed by law seven days from the date of the mailing of his questionnaire to return it, properly filled out, to his Exemption Board.

All registrants are urged to consult attorneys named by the Bar Association before attempting to fill out their questionnaires. No charge is made by these attorneys for this service.

SUNNY windows may be draped with lovely Orinoka guaranteed fabrics—the colors never fade. That's one reason why Orinoka draperies are so popular.

Orinoka

LIEUT. T. A. TOBIN IS NOW IN FRANCE

News has been received of the arrival of Lieutenant T. A. Tobin in France. Lieutenant Tobin is in the medical department and is attached to the 143rd field artillery.

Before entering the army in June, 1917, Lieutenant Tobin had practiced as a physician in Fresno for four years. He was called up for active service in September, 1917, and proceeded to the Presidio in San Francisco, and was afterwards sent to Camp Kearney, where he remained up to the time of his departure for Europe.

In a letter to his sister, Miss Agnes Tobin, librarian at Fresno State Normal school, he says that he has gone through some thrilling experiences, but is not allowed to speak of them. As a medical man, Lieutenant Tobin took an active interest in public health matters while in Fresno.

METHODIST LAYMEN HOLD CONVENTION

BAKERSFIELD, Oct. 3.—The features of the M. E. conference today was the convention of the Laymen's Association. A large number of delegates were present from all sections of the southern portion of the state. Sessions were held at the Baptist church. President Charles E. Carver of South Pasadena, presided at the meeting. The address of welcome on behalf of the district was made by Attorney A. M. Drew of Fresno, which was responded to by President Carver.

Dr. Lincoln A. Ferris gave an address on "The Church and Our Boys in the Camouflage."

William S. Sider gave a message to the church from "The Boys Over There."

Bishop Wilbur P. Thirkield addressed the convention this afternoon, in which he urged upon the delegates in attendance to look well to the business of the church, stating that their duties were of great importance to the upbuilding of the kingdom.

This evening the laymen met with the conference at the M. E. church when a report of the Mexican and Portuguese work was given by the superintendent, Dr. Vernon M. McCombs of Pasadena.

Tomorrow the laymen and the conference will meet, jointly with the Foreign Missionary Society, to celebrate the centenary of the organization. The principal address will be given by Bishop E. W. Warner, a returned missionary from China.

OLD DUNN RANCH AT DINUBA SOLD

The old Dunn ranch consisting of 800 acres of land near Dinuba, was sold by Lloyd Dunn to H. P. Mitchell this week for a consideration of \$30,000. It is mostly mountainous and contains a fifty-acre California fig orchard. The land lies near the celebrated Citrus Grove district. The deal was closed by G. R. Vignola of Fresno who also sold a number of bungalows in Fresno. They are the following: 1. A Buell property in Mono street to Manuel Terra for \$3500; a bungalow in Iowa street to Horace Parson of the Phone Drug company, also for \$3500, and a bungalow in Madison street to W. E. Van Vleet, Jr. for \$4000.

R—REVIEW—R Smiles and Tears and Grace and Beauty in Orpheum Bill

If a well balanced vaudeville bill is one that contains within it smiles and tears and grace and beauty the present Orpheum bill is well inside the outposts of that magic land and the play is that too few Fresnoans were out to enjoy it.

There is no shadow of doubt about the act which may properly wear the honors that attach to a headliner when one looks back and thinks of the act "Where Things Happen" and remembers that heavy stared and eyes smarted and were dim as scene after scene was presented and one saw severely wounded boys dragging themselves across No Man's Land, fighting off the weakness of wounds and to one another because hosts alone could not nurse them to further effort. Scenes of rescue by nurses on whose sleeves and cap there was the crimson cross; scenes in hospital and, at last, in the old home with mother. Liked this act as well as that I am going to say to the one who urges it that it is too good and fine an act not to merit a change in the scene where the vision of his girl comes to the soldier in his dream—she draws and has symptoms of affection in her speech that jar.

R. C. WANTS JELLY FOR ILL SOLDIERS

And still the call goes out from the Red Cross headquarters for jam and jelly, which will make piquant, the jelly which will be served the soldiers, in the Pacific Division base hospitals. Home-made jelly "like mother used to make," and still does, for that matter, is the kind that is wanted, and the use of sugar to a great extent, one jar of jam or jelly will not make much of a vacancy on that fruit shelf, but will mean a great quantity of fruit, if the response is answered from each home.

The new allotment of articles for the Military Relief department has not yet arrived, and a splendid plea is made to all auxiliaries and branches, still working on the old allotment, in hurry to get that the burden may be clear when the new allotment comes from San Francisco.

GIRL RESERVES TO BE EXPLAINED

Tonight at 8 o'clock an informal tea has been planned for teachers of the seventh and eighth grades and high school leaders for the purpose of explaining the girl reserve movement, which is being nationally accepted as part of the Y. W. C. A. war program. Thirty-five invitations have been issued to these Junior group leaders. Among those scheduled to talk are Mrs. E. L. Bennett, chairman of the girls' work committee, who will speak on the importance of work among girls, and Miss Myrtle Russell, girls' work secretary, who will explain the new movement. Miss Maude Wolff will give a few words of greeting at the opening of the meeting.

Among the leaders to be present who are on the students' committee are Helen Redington, Mary Ella Robinson and Alice Smith. The chairman of the extension department, Mrs. Arthur L. Barnard, will also attend.

J. D. COLLINS FUNERAL TODAY
Funeral services for the late J. D. Collins will be held at 10 o'clock today from the Masonic Temple. Rev. Jos. Hodgepeth will officiate at the church services, which will be followed by the rites of the order. Vault selections will be contributed by Mrs. Arch Jack. Interment will be at Academy. Stephens & Dean have charge.

NEW R. M. MAN HERE
C. H. Jasper has arrived in Fresno to take the place in the consolidated railroad office of C. L. McLaughlin, who left recently for San Francisco to become a government official of the railroads. Jasper is now division freight and passenger agent.

P. O. RECEIPTS SHOW GAIN
Receipts for the month of September from the local postoffice were \$23,491.54, while in September, 1917, they were \$18,594.05, which is a gain of \$4,897.49, or 26 per cent. Fifteen per cent of this gain is accredited to the increase in postage.

Guthrie Hitter, charged with failure to provide for minor children, was held to answer in Judge Graham's court yesterday. He is under \$100 bail.

A fire alarm was sounded at 5:15 o'clock yesterday evening when the conditions of a truck belonging to the Stewart Fruit Company took fire at 903 J street.

DEATHS.
WATSON—In Fresno, Oct. 3, Abby Watson, native of Arkansas, aged 71 years. Leaving husband of Emily Watson, former father of G. R. Watson of San Francisco. Mr. Watson of Los Angeles. R. E. of Visalia. Miss Ellen Watson of Fresno. Mr. S. and Mrs. J. Watson of Fresno. Burial at the home of J. W. Angeline, near Kernan, October 2, 1918. Mrs. Mary Barker, widow of Mrs. Amy Barker of Sacramento, Cal. Mrs. Ethel May Wilson in England, a mother of England and 61 years of age. Funeral services will be held at the Fresno Crematorium, 1115 Broadway at 3 o'clock. Mr. J. D. Bell will officiate. Powers Undertaking Co., funeral directors.

CARD OF THANKS.
I wish to thank my friends and relatives for their presence and sympathy and for the many beautiful floral offerings in my late bereavement. Mr. Frank Zappa.

FRENCH AND GRECIAN GENERALS IN BULGARIA

French Official.
General Franchet d'Esperey with his staff at the Bulgarian front. The man at his right is General Joanno, commander of the Greek armies fighting against Bulgaria. These two men are leading the Allied forces on the giant smash to break the Bulgarian line and the collapse of the enemy is now eminent.

GUILTY OF FRAUD

SAN FRANCISCO, Oct. 3.—J. J. Worthington, formerly of Chicago, also known as "W. J. Chase" and "William Matthew Chase," and Mrs. Rae Belmont, alias Rae Amont, were found guilty by a Federal court jury here tonight on two counts charging conspiracy and using the mails to defraud in connection with an alleged extensive charity swindle which is said to have involved \$100,000 in contributions received here and in Los Angeles. Mrs. Louise Westphal, who was indicted with Worthington and Mrs. Belmont, was acquitted.

G. W. Dodge of Oilfields is registered at the Sequoia.
Judge Thomas F. Griffin and H. F. Crabtree of Modesto are registrants at the Fresno.

IN THE LODGE ROOM
Central Calif. Lodge.
Central California Lodge 1, O. O. F., last night conferred a degree on one candidate. The committee in charge of the annual roll call reported everything progressing favorably. It will be held Thursday night, October 31. Robert Richards of the Henderson lodge of British Columbia was present. Fraternal Brotherhood.

The Fraternal Brotherhood Red Cross auxiliary will hold no meeting this week as they have finished and turned in their quota of finished garments. Next week, if there is material to work on, the meetings will be resumed and will be held this winter on Fridays at the home of Mrs. W. D. McDowell, 505 V street.

"MUST KEEP RIGHT ON"—CLEMENCEAU

Only First Steps Taken
Toward Victory for
Allies

PARIS, Oct. 3.—With victory in sight the Allied nations should not therefore relax for the last sacrifice necessary before the final triumph is secured, Premier Clemenceau declared today in a ringing pronouncement.

The premier's words are embodied in a letter he has sent to the council of the League of Nations, which he passed an address strongly supporting the government's course.

"The councils, representing the people," says the premier's response, "can depend upon the government with absolute faith and the United States Allied armies, to pursue their course until the benefits of complete success are wrested from the enemy. The splendid victories of the recent weeks have definitely determined the fortunes of war to the satisfaction of the enemy, which is a satisfactory discovery that he has grossly deceived himself."

"These victories are only the first sheaves of the fruitful harvest of which the highest recompense will be the final deliverance of the world from the oppression of implacable brutality, and open the way for its marvelous development. Let us salute the glorious Aurora whose first rays illuminated the victorious fronts of the founders of the American republic and of our revolutionary forefathers."

In the abyss of irreparable defeat the Prussian militarists will hear the shame of the greatest attempt at wrong doing of which a barbaric people has been able to dream. The supreme obstacle to the relief of the land law among mankind is about to disappear in the acclaim of a victory in which it is our duty to make effective the triumph of humanity.

"For this let us continue to be true to ourselves. Let us accomplish the last sacrifices caused by the supreme convulsions of savagery. The collaboration of all in the revivifying of the world will achieve the work of idealism toward which so many generations have gloriously sought the way and that history reserves to us the inexpressible glory of realizing."

CALL FOR HOME DEFENSE NURSES

SAN FRANCISCO, Oct. 3.—A call to duty for home defense nurses in California, Nevada and Arizona, was issued here today by the Pacific division of the American Red Cross as a precautionary measure against any spread of Spanish influenza into these states. The home defense nurses are their wives and date of availability for call into overseas service will come after December 1. California alone has enrolled 250 of these nurses.

News From Central California

PLEADS GUILTY TO MURDER OF WOMAN

MERCED, Oct. 3.—Thomas Bellon of Dinuba, charged with the murder of his mother-in-law, Mrs. Mary Bellon, by cutting her throat last Wednesday morning at her ranch home near Van Station, six miles from Merced, pleaded guilty in the superior court this morning, and Judge E. N. Rector placed the crime as first degree murder, without extenuating circumstances, and deferred the time of sentence to next Monday morning at 10 o'clock.

Bellon made a statement in court in which he stated that the contention of the defense was that he had killed his mother-in-law, Mrs. Mary Bellon, whose throat he also slashed, but not fatally, was the object of his trip from Dinuba to Merced, the motive being revenge for her threat to have him arrested and sent to the state prison. He stated that it was not his purpose to kill his mother-in-law, although he said in one part of his statement that it was his purpose to kill her.

Bellon, in describing the murder, stated that he entered the room at the Milano home, in which his wife was sleeping and cut her throat, and that the mother-in-law, sleeping in the room, also was killed. He stated that he did not intend to kill her, but that he had shot his brother-in-law, Joe Milano, in the forehead, but said that also was not intentional.

Bellon was represented by Terry W. Ward, appointed by the court as his counsel. The murderer exhibited signs of nervousness while in court, but talked without any emotion or interruption, and was led back to his cell in the county jail to await his hour of sentence four days hence.

Bellon is a native of Italy, aged 41 years, and is the father of two children, of whom the oldest is in her seventeenth year, and the youngest is less than a year old. He stated that his wife secured a divorce from him fourteen years ago, but that they returned to each other again and have lived together since.

Mrs. Bellon, the murderer's wife, was slain when her mother was murdered, is still in the county hospital under treatment for her wound. Her said to be improving. She has been released from the hospital where he was released for treatment for the gunshot wound in the forehead.

MADERA TO HAVE TRACTOR COURSE
MADERA, Oct. 3.—The tractor manufacturers of the state are cooperating to make the tractor school a success. A meeting of the California manufacturers of tractors was held in Madera last Saturday. At that meeting it was arranged to send out thirty-five tractors to each county, two of which will be complete. Two tractors will be sent to each county, and the others will be in the form of parts.

The tractor manufacturers of the state are also putting out engines for use in the first part of the course. These engines should arrive by the last of the week. The tractor school opens at the high school on Monday morning, at 8 o'clock. The course is directed by E. F. Smith, county farm adviser, and Robert J. director of the course, and Robert J. director of the high school, is registrar and secretary.

CONDUCTOR TAKES TRANSFER
CALWA, Oct. 3.—Conductor R. E. White and family have moved to Porterville. Mr. White will work on the Porterville-Lindsay run at present. Mr. and Mrs. Frank Barnes have returned from a visit with his brother at San Bernardino, who has enlisted in U. S. service.

Mrs. Clark Shields has returned from Knoxville, Tennessee, where she was called on account of death of her father.

NOTICE
Admission to the Fair Grounds 50c every day as usual. Grandstand seats for Auto Races \$1.00.

\$89.00 FOR 2 TON WAGON GEARS. A Few left, W. J. O'Neill Co., Fresno.

'No Medicine in 4 Years-Internal Baths'

Mr. A. Carmichael writes Dr. Chas. A. Tyrrell of New York City as follows: "I must admit that the use of the J. B. L. 'Casado' has cured my chronic constipation from which I suffered. Since May 12, 1913, I have never eaten any kind of patent medicine or purgative. My health is excellent in every respect."

Over half a million bright, keen, intelligent Americans have found that internal bathing is more essential to their health than external baths.

Have you used occasionally at night when you feel different people than in the morning. No more of that bilious, tired, nervous feeling, but having by Nature's own cleaner-antiseptic warm water—removed all the poisonous waste from the lower intestine, they awake thoroughly refreshed by normal sleep, with all their functions acting properly.

Why not learn more about this refreshing and purifying process? The J. B. L. 'Casado' is produced by Chas. A. Tyrrell, M. D., of New York, who is a specialist on internal bathing. He has explained by The Official Book, "The J. B. L. 'Casado'—An interesting book, one of the best of its kind. It is only 50c per copy. Write to J. B. L. 'Casado' Co., New York, for your copy.

Brother of Visalian Loses His Life on French Battlefield

VISALIA, Oct. 3.—Rufus Basom, a druggist employed here has just received word from the east of the death of his brother, Hansford Basom, aged 39 years, killed in action in France August 28. The young man was with Company D, 126th Infantry, 32nd Division, and had been sent to California, to which state Rufus Basom and his mother and father moved about a year ago. The young man's parents are newly established ranchers in the Lemon Cove district.

WILL MANUFACTURE CITRUS PRODUCTS

PORTERVILLE, Oct. 3.—Seventy-five per cent of the citrus associations of Tulare county have joined the new Citrus Products company, which is to be run as a subsidiary of the California Fruit Growers' Exchange, and which has been formed to manufacture citrus products. Fruit is being shipped to the factory at Visalia, California, where the products are now being constructed.

IRRIGATION TAX RATE IS FIXED

OAKDALE, Oct. 3.—The Oakdale irrigation district board today fixed the tax rate for the forthcoming year at 45 cents per hundred dollars of valuation, or at the average of 33 per cent. There are 70,000 acres of land in the district, and the estimated revenue to be raised will be approximately \$210,000. Of this amount \$12,000 will be used for maintenance and operation of the ditches.

The tax is the same as last year, and although the cost of operation will be much greater than ever before because of the tremendous increase in prices of materials and also in labor, the directors decided that in view of the demand for money for Liberty Loan and other war purposes, they would not increase the tax rate. Out of the money to be raised the board also intended to make a loan in order to increase their capacity for next year.

The district is in better shape financially than it has been in years. According to the report of the directors, there is a total of \$20,876.52 in the bond fund, \$4,242 in the construction fund, and an over draft of \$10,248 in the general fund, leaving a working balance of \$12,051. The assessed valuation of the district for the coming year is \$3,632,220, practically the same as last year. The levy is made on a single tax basis, so that very little change can be made in the valuation.

RECEPTION IS GIVEN TEACHERS

STRATFORD, Oct. 3.—The Stratford teachers, together with Mrs. Young of the Mercedes district, were given a reception Saturday afternoon, attending a tea given the teachers of Kings county in the auditorium of the Chamber of Commerce, the hostesses being Miss Richmond, county superintendent and her daughter, Miss E. J. Smith, county librarian, and her assistants. The subject for discussion was "Plans for War Work Among the School Children."

Miss Lewis Show of Hanford was the speaker, and gave a very interesting and timely talk. She is one of the Hanford teachers, but is taking an enforced vacation on account of an operation. She expects to return to her duties in a few days.

Mrs. W. H. Nance attended the council of defense meeting in Hanford Monday.

Miss Maurine Smith is attending school in Porterville. She will spend the winter with her sister Mrs. W. W. Martin.

Mr. and Mrs. Leonard Smith announce the birth of a little son in Clovis about a week ago.

Stratford bond committees were not out. They announce that the quota for this section will be reached at a very early date, the subscriptions, the present total being about \$20,000 and considerable territory yet unworked.

WILL CELEBRATE DISCOVERY DAY
RIVERBANK, Oct. 3.—The Catholic church will celebrate the discovery of America by Columbus at the Dreamland theater on Wednesday, October 16, in the evening, by giving some Columbus and a specially prepared program of songs and other features for the evening.

Most of the boys have been to Modesto this week looking after their questionnaires.

Traveling Engineer Dave Hopkins, who is in charge of his own business, will be in charge here and Richmond. The switch engines at this place will be under the supervision of Wilson.

The Methodist Sunday school will have a special entertainment at the church Sunday morning which will include a program entitled "A Call to the Service," songs and recitations.

Engineer and Mrs. Runyon were called to Richmond last night by the illness of Richard Maynard, brother-in-law of Mrs. Runyon, who was reported dying.

PACKS FOR GOVERNMENT
TULARE, Oct. 3.—The local cannery is now working on government contracts and from now to the end of the cannery season all the cannery's product, both solid pack and paste will go to the government. A federal inspector will arrive at the local plant in a few days to check the work of the government's work.

ON WAR BASIS
OAKDALE, Oct. 3.—Oakdale merchants today went on war basis, agreeing to at once eliminate luxuries and solicitation of orders. All the grocers and meat markets have agreed to this, at the request of A. E. Lowden, Oakdale representative of the County Council of Defense, and the law enforcement agency has become effective. The only exception of the non-delivery rule is as to bulky packages, which will be delivered after 4 o'clock in the afternoon only, and then only if absolutely necessary. Merchants are preparing also to put into effect the new food administration rule requiring the posting of wholesale and retail prices.

FINISH CLASSIFICATIONS
PORTERVILLE, Oct. 3.—Working practically night and day, the examination board for Tulare county district No. 3 has finished the classification of about one-third of the questionnaires returned by the recently registered men of 31 to 37. According to Ray L. Wood, chairman of the board, a considerable proportion of those reporting have been classified as exempt or to deferred classification.

RED CROSS HOLDS MONTHLY MEETING

RIVERBANK, Oct. 3.—The Riverbank Red Cross held its regular monthly meeting at headquarters yesterday with Mrs. R. W. Hobart presiding. Routine business was transacted. Riverbank had been asked for a 100-pound donation of used clothing for the Belgian Relief work, and has already sent 700 pounds to Modesto headquarters. The Belgian sewing including 53 children's petticoats and 212 pairs of bed socks have been delivered. The clothing and socks were delivered to headquarters also. Messrs. L. Harrison and T. N. Day made a large donation of fruit pits to the local branch and Riverbank is now being solicited for fruit pits and nut shells.

PLAN MEMORIAL TO FOWLER SOLDIER

PORTERVILLE, Oct. 3.—A patriotic memorial service will be held at the First Presbyterian church Sunday morning for Edward Leewood Griffin, who lost his life when the Westover was sunk July 1. Mayor Wells will be in charge of the service. The first soldier will be placed on the church service flag.

Mrs. L. A. Stratton has gone to Los Angeles to spend some time visiting in the home of her two nephews residing in that city.

L. C. Bunker of Bakersfield has been transferred to Fowler as agent. His family will follow.

Mr. and Mrs. A. B. Armstrong and daughter, Marjorie, and grandson, Howard Leggett, Jr., arrived Sunday from Berkeley, and will spend some time here looking after business interests.

Miss Marjorie Armstrong has had an active part in promoting interest in the establishment of hostess houses at the army camps, and has charge of the work at the Fresno County Fair this week.

Mr. Sue Wiley of Millmore has arrived to take up her residence in Fowler. Her son will come later to enter high school.

INDIAN AGENT VISITS DUNLAP

DUNLAP, Oct. 3.—John H. Anderson employed by the government in the capacity of land agent for the Kings River district, visited Dunlap today. He is in charge of the Kings River district, better known as "Coyote Jim," who mysteriously disappeared several years ago. He has never been heard from since. Mr. Anderson will visit Dunlap and his family officially before returning to his home in Reno, Nev.

Worth Ryder, concessionaire of Grant Park, stopped over in Dunlap Sunday on his way to Berkeley, his home. The park will close on October 10 for the season. A. C. Austin will be in charge of the remainder of the season. The patronage of the resort this summer was very good.

It has been threatening rain for the last week. Saturday night and Sunday there was several heavy showers. D. Brainer, in charge of all roads and trails in the National Park, under instructions from the United States government has been in the Kings River canyon for the past three weeks inspecting the trail. He came out to Grant Park Sunday and will leave for his home in Berkeley tomorrow.

W. U. Lane, in charge of Mr. Ryder's pack train from Grant Park to the Kings River canyon, will go to the canyon tomorrow and will be accompanied by his pack train.

Mr. and Mrs. E. M. Baker for the past ten days have been visiting with Mrs. Baker's parents, Mr. and Mrs. Harkness in Mendocino county. They will leave for home tomorrow.

The home of Mr. and Mrs. S. J. Harkness, who stopped at Sebastopol, Sonoma county.

James Hinds, Jay E. Mitchell, W. P. Harkness, S. A. Harlan of Dunlap and Fred Rehder of Exeter went up to Grant Park Sunday and will be in the canyon for the next few days.

Mrs. Ed Harkness of Visalia is spending this week with her brother, E. A. and W. T. Ruland.

Mr. and Mrs. A. J. Jones and Jeff Lewis came down here this summer range with their cattle Sunday.

Miss Rianche Baker went to Merced Sunday and will resume her duties as accountant for the Merced Fruit company. She was accompanied by her sister, Mrs. J. C. Baker, who will visit with relatives in the vicinity of Visalia and Farmerville.

A. A. Ruland, game warden, has brought his family down from the Grant Park, where they spent the summer.

H. H. Steris of Fresno, who has filed a homestead claim near here, passed through Dunlap Tuesday on his way to his claim with a wagon loaded with his belongings, and will make his future home there.

TULARE CATTLE GIVEN PRIZES
TULARE, Oct. 3.—Word has been received here that the Holstein cattle shown at the Fresno Fair by W. J. Higdon have captured twenty-two prizes. This makes the second big collection of prizes that the Higdon cattle have taken within a month, the other showing being at the state fair at Sacramento. Mr. Higdon had fifteen head at the Fresno Fair, and many animals shown at other fairs. The list of awards included eleven first prizes and two gold medals.

PURCHASE PACKING PLANT
PORTERVILLE, Oct. 3.—Packers have passed for the transfer to the Fruit Growers' Supply Company, a subsidiary of the Exchange, of the factory and warehouse of the Armour Packing Works, situated just outside the city limits to the south. The county headquarters for the company, through which all orchard supplies are furnished at manufacturing cost to members of the association, will be maintained in Porterville.

TULARE HAS SEVEN IN QUARANTINE FOR SPANISH INFLUENZA

VISALIA, Oct. 3.—Spanish influenza reached Visalia today, seven cases all in one family, being under quarantine. The cases were reported from Tulare, where here the family arriving the day before from Oklahoma. Because the family was brought to the county hospital in Visalia almost immediately upon reaching Tulare, the county physician does not look for a spread of the disease from this source.

RIVERBANK SOLDIER DIES IN ARMY CAMP

RIVERBANK, Oct. 3.—Freeman Joseph Waugh received a telegram yesterday announcing the death of his brother, Ralph, at one of the U. S. army camps in the vicinity of New York City, and left at once for New York to take charge of the body. His brother had only been in the service two months, having enlisted in Indiana. He was well known here. It is believed he died of Spanish influenza.

WOMAN ORATOR TO SPEAK AT FOWLER

FOWLER, Oct. 3.—The Women's Federation of California has arranged for Mrs. M. J. Behm to address a meeting of the citizens of Fowler to be held in the United Presbyterian church Sunday evening, October 13, to discuss the comparative merits of the bone-dry amendment, as well as the merits of other laws to be submitted to the November ballot in general. All are cordially invited to be present.

Mrs. Behm is a scientific lecturer for the Presbyterian Church Board of Temperance, being sent to represent the U. S. government as its representative at the Anti-Alcohol Congress of scientists of Europe and will discuss the results of the inquiry of that body of scientists.

WOMAN IS LOST NEAR PATTERSON

PATTERSON, Oct. 3.—Mrs. Maude Allen, who was lost in the hills for two days and searching parties were sent out for her, Monday evening she was found by her husband and returned to her home in Fresno.

While Ernest Litten was returning recently from Modesto between Crows Landing and the bridge, a big car carrying several men and running at a high rate of speed, coming from New man way, smashed over front wheel and otherwise injured the car.

Miss Marquette Horst of Sacramento has taken a position in a grocery store here.

Miss Clara Engstrom has left to attend the college of the Pacific at San Jose.

Mrs. Bertha Lacey and children of Visalia are visiting her parents and sisters here.

Patterson went away over its quota for the fourth Liberty Loan, \$51,250 being the returns up to the present date and not all turned in yet. The quota is \$48,000.

Mr. and Mrs. Rozzy of Fifth street son-in-law, Mr. and Mrs. Harry Albee of Napa.

STORMS VISIT SQUAW VALLEY

SQUAW VALLEY, Oct. 3.—Rains, accompanied by thunder and lightning have been of frequent occurrence for the last few days. The rain has started vegetation, which will provide feed for stock.

School has opened with Miss Nellie Frost as teacher. There are sixteen pupils attending.

Those who graduated from the school here last term are attending Reedley high school.

Mrs. C. B. Drake has collected large quantity of used clothing to be sent to the Red Cross, which has been taken to Fresno.

Miss Elgie Ennis has returned to Sanger after a visit with her sister.

Mrs. Evelyn Loy is away on a visit to her daughter, Mrs. E. H. Ramsey, at Sanger. Her work has been resumed, as many of the workers have returned from vacation.

WAR SHOP DOES LARGE BUSINESS

VISALIA, Oct. 3.—A check for \$1,270.75 was today turned over to the Red Cross War Shop in Visalia, representing the business done by the shop for the three months of July, August and September. During the week ending September 23 the new plan of turning the shop over to various city organizations was inaugurated and the Presbyterian church ladies had charge turning in \$137.20 as their week's work.

PLAN SURVEY OF BUILDING WORK
VISALIA, Oct. 3.—R. H. Harris of Visalia has been confirmed as chairman of the Tulare county Non-War Construction committee, and at the meeting in Visalia, H. H. Beckwith of Tulare was chosen secretary. During the coming week the committee will meet in Visalia to begin a general survey of the county with a view to gathering a better line of information upon building work.

SENDS THREATENING LETTER
PORTERVILLE, Oct. 3.—Miss Edna Turner, who came here recently from Arkansas, and who has been living at a local hotel, has been taken into custody after a threatening letter, signed with her name, was mailed to a woman with whom Miss Turner formerly made her home. After her removal to the county jail and brief questioning by the district attorney, a complaint was issued charging her with being of unsound mind. She is being held for examination by county officials.

AUTOMOBILE IS STOLEN
LINDSAY, Oct. 3.—A touring car belonging to J. R. Moore, a local merchant, was stolen between 5:30 and 6 p. m. from the curb near the Warrenton pharmacy. No trace of the car has been found.

WOODLAKE SCHOOL ELECTS PRINCIPAL

WOODLAKE, Oct. 3.—Professor Frank R. Gainer has been selected by the board of trustees to fill the vacancy in the Woodlake union high school caused by the resignation a few weeks ago of Prof. Earl T. Brown. Gainer has since entered the military service in the capacity of instructor of radio at the University of California. Professor Gainer is a former instructor of physics and science in the Long Beach high school, from which point he moved to Woodlake for a position as principal of the school. Mrs. Myrtle H. Gainer, a prominent valley society woman and resident of the Napa district. The new teacher will take over the duties of manual training instructor together with the teaching of chemistry and Spanish.

TULARE TEACHERS HAVE REORGANIZED

VISALIA, Oct. 3.—The Visalia Teachers' Association met this week at the city hall and reorganized for the new school year with the election of Miss Margaret Hanson, president; Mrs. Shirley, vice-president; Miss Houch, financial secretary; Miss Dolly, treasurer; Miss Edna, secretary; and R. J. Baker, Elizabeth Doyle, Mrs. M. J. Pettit, and Elsie Crowley, trustees. The officers constitute the executive council.

The organization devoted the evening to a discussion of aims for school work this year and decided among other things, to get behind the plan for a free clinic in Visalia. Continuation of the welfare work and community service was also determined upon, and the executive council will meet soon and draw up a plan for the organization's activities for the school year.

The organization devoted the evening to a discussion of aims for school work this year and decided among other things, to get behind the plan for a free clinic in Visalia. Continuation of the welfare work and community service was also determined upon, and the executive council will meet soon and draw up a plan for the organization's activities for the school year.

ENROLL 600 IN COALINGA SCHOOL

COALINGA, Oct. 3.—Close to 600 pupils are registered in the six grammar grades of the two schools, with fourteen teachers, including the San Joaquin teacher. The intermediate buildings, still unfinished, are being used. They will be a great addition to the school department of the city when completed. There are six teachers in the intermediate.

Many Coalinga people are attending the Fresno fair this week.

Master Gilbert Dunaway celebrated his sixth birthday anniversary Wednesday afternoon, at the home of his parents, Mr. and Mrs. J. L. Dunaway, 227 Adams street. About a dozen of his little playmates were present.

The playground movement was enthusiastically endorsed at the meeting of representative citizens held in the library last evening. Coalinga has been placed for the children of the community to play in, and immediate steps will be taken to procure it.

ELIMINATE POOR ROAD IN TULARE

TULARE, Oct. 3.—The worst piece of road in the state of California has just been wiped off the map. It was between this city and Tipton, and was a dangerous road, and has been long on the list of the cities for some months. The danger got into terrible condition, many auto springs being broken passing over it, and hundreds of tourists going many miles out of their way to avoid it. The city is now in the process of having the road graded, and a good road has been opened along the highway grade. No longer will it be necessary to go through that succession of holes at the risk of wrecking one's car, and with the assurance of running one's tonner.

ENLISTS IN TANK CORPS
DELANO, Oct. 3.—Earl Carroll, Alhambra, who has been working in the Oakland ship yards a short time, has enlisted in the tank corps and will go on October 15 to Raleigh, North Carolina to train for six weeks. Then he will go to London for further training.

Eda Eaton will enter the University of California this week. Miss Eaton attended the Delano high school two years ago, but finished at Tulare last year. Her home now is in Piquette. She was a visitor at the local high school on Friday.

Mrs. Jessie Wood will leave this week for Fresno, California, for an extended stay with her daughters.

Miss Mabel Stewart has received word that her son, Sergeant John Percy Stewart, has left Fort Worth, Texas, and is on his way to France.

Mrs. and Mrs. Harvey Carroll, Fresno, and their daughter, Mrs. J. H. Ramsey, are on their way to Sanger for a few days and are on their way back to Visalia.

BUILD NEW BUNK HOUSE
VISALIA, Oct. 3.—A new bunk house for section employees of the Southern Pacific is about to be erected. The new building for which material is on the ground will be 100 by 60 feet. The company is trying hard to get white section hands and is offering them \$3.45 for section work with house furnished. The Mexicans are being paid \$2.10 under the new wage scale effective September first, and foremen \$4.50.

START FIRST AID WORK
PORTERVILLE, Oct. 3.—Three classes of first aid work are to be started here next week under the direction of the officials of the Red Cross. A class from Woodville will be instructed by Dr. J. W. Nicholson.

Dr. and Mrs. D. R. Cook and daughter Dorothy, and Mrs. Cook's mother, Mrs. Nelson of Linton, spent Sunday in Fresno.

Mr. and Mrs. Matthew Aizze came up from Alhambra a few days ago and are on their way back to Visalia.

RAINS RAISE KAWAH RIVER
VISALIA, Oct. 3.—Recent rains in the hills have sent water coursing through the Kaweah. San Joaquin river and other streams in the Kaweah delta for the first time in many years at this season of the year. The water came down the Kaweah first on Monday for the first time in many years at this time.

CHANGE SCHEDULE OF TROPHY TRAIN

LINDSAY, Oct. 3.—The chairman of the Liberty Loan special has wired W. R. Kiggins, chairman of the Lindsay Liberty Loan committee, that the special will arrive here next Sunday at 4:30 p. m. instead of at 2:30 p. m. during which time there will be speaking and music. The platform at the Southern Pacific depot, where the train will be stopped, will be used from which to make addresses, and also as a bandstand.

BARSTOW SCHOOLS OPEN MONDAY

BARSTOW, CALIF., Oct. 3.—School opened Monday with full attendance. Three new teachers being hired this term.

Mrs. Jack Ducey left today for a two weeks' visit in Tulare.

A literary program will be given in Barstow hall this Thursday evening.

W. J. Anthony is erecting a cottage and butcher shop between the hall and blacksmith shop.

Miss Anne Lutz was a visitor in the Colony Monday.

Arthur Fritz left yesterday for a vacation in the northern part of the state.

Mr. and Mrs. Walter Henry spent a few hours in Clovis Sunday.

Mr. and Mrs. J. R. Gregory, Mr. and Mrs. J. E. Gregory and sister spent the day near the Indian mission above Auburn Sunday.

Barstow Red Cross will meet at the home of Mrs. Jack Ducey next Tuesday. Rooms have been secured there for the winter. Everyone interested in the work is urged to be present.

W. J. Anthony is erecting a cottage and butcher shop between the hall and blacksmith shop.

Miss Clara Camet left Monday for Sanger.

Red Cross women met at the home of Mrs. J. C. Bach Tuesday afternoon, holding a business meeting. The following officers were elected: Mrs. A. L. Goodrich, chairman; Mrs. Geo. Barstow, vice-chairman; Mrs. W. E. Carier, secretary; Mrs. P. E. Wright, treasurer.

VOTE \$50,000 TO DRAIN LAND

MOHAWK, Oct. 3.—By a vote of 55 to 222 the voters of the Modesto Irrigation District yesterday voted the assessment of \$50,000 to drain 3,000 additional acres of land in the district. The assessment will be spent as follows: \$30,000 on the O'Connor drain; \$15,000 for a portion of the Jacobson drain; and \$5,000 for a portion of the Trask drain.

SHIP CLOTHING TO BELGIANS
TULARE, Oct. 3.—Tulare shipped 26 packing cases filled with clothing to the Belgian Relief headquarters in San Francisco yesterday afternoon as a result of a one-week campaign for garments. The shipment grossed weight was 3,425 pounds. Tulare's quota of the great clothing drive was two tons and allowing for the weight of the boxes it is thought here that just about 4,000 pounds of clothing was brought in by the good-hearted persons of this town.

DISCUSS WATER TROUBLES
BARKERSFIELD, Oct. 3.—Meeting for the purpose of discussing water conditions in the Kern River and the West Side oil fields, the state oil and gas commissioners of the Fourth district held a session at the Hotel Tanager last evening.

Those attending the meeting were: C. E. Jallough and D. T. Saine of the Kern River fields, and Wallace Campbell, George Kammmerer and C. M. Small of Taft.

FARM CENTER TO MEET
McFARLAND, Oct. 3.—The Farm Bureau Center will meet at the public school building on Friday evening October 11, at 8 o'clock. The purpose of the meeting will be to transact and the attendance of the full membership is desired. A library bond drive will be part of the program. Mr. Frank H. Reno, a prominent rancher was the lucky man who won \$22 in the great national lotteries.

The heavy thunder storms of Sunday and Tuesday, did considerable and annoying damage to the power lines and pumping plants.

AUTO MEN NAME OFFICERS
MODESTO, Oct. 3.—At the annual meeting of the Stanislaus Auto Trades Association held at the Modesto hotel following a luncheon, E. A. Houch was elected president; L. M. Peterson, Modesto, vice-president; R. Collins, secretary; and Walter Johnson, treasurer. The following were elected members of the executive committee: W. K. Kerr, Oakdale; E. H. Houch, Modesto; J. H. Briggs, Frank Andrews, and C. K. Kerr, Modesto; J. L. Kinnear, Newman; H. J. Banks of San Francisco addressed the meeting on the progress of the automobile industry in general.

The Association passed a resolution of approval of the fuel administration's order that no gasoline or distillate be sold after 6 o'clock at night.

GOES INTO Y. M. C. A. WORK
TULARE, Oct. 3.—Oscar O. Over, for several years justice of the peace at Alhambra, is to take up Y. M. C. A. work in France in the very near future. Mr. Over's work will be among the colored troops in France, and he is extending

COUNTY MAN POWER MOBILIZES TO HELP GROWERS SAVE RAISINS

Valley Association Distributes Men; Schools Offer
Boy Reserves; Loss \$4,000,000; Turning and
Sulphur Against Dampness

Led by the Valley Fruit Growers' Association, the Fresno Merchants' Association, the Chamber of Commerce, the California Peach Growers, and all the local civic bodies of the county, practically every able-bodied man has offered his services to the hard-pressed vineyardists to help save the crop.

Every packing house of the raisin and peach companies closed yesterday, and hundreds of men were sent to the fields. Selma closed stores and sent to turn raisins. Kingsburg and Selma schools closed, so that every child that could be of assistance to parents in sorting raisins could do his bit. Fresno schools will furnish boys by the hundreds today.

The Valley Fruit Growers placed their organization entirely at the service of the raisin growers, and sent out 100 men yesterday and will send out hundreds more today. The Merchants' Association of Fresno will furnish free transportation to the workers from 40 to 50 cents an hour turning raisins. The carpenters' union with 1700 members was among the volunteers.

It was estimated by a Raisin Association official yesterday afternoon that 80 to 90 per cent of the Thompson raisins were safe in the packing houses. About 75 per cent of the Sultanas are safe, and in the neighborhood of 15 per cent of the Monarchs. It was variously estimated that 25 to 35 per cent of the raisins on the trays are beyond redemption for human food.

Kearney Cloudburst
Only in one important district did rain fall. At Kearney the heaviest precipitation in 20 years came with a sudden downpour in the morning. Men were wet to the last stitch in 15 minutes, the bottom tray in many of the stacks, was completely submerged.

"Minute Men" of Schools to Wear Old Clothes Today

Superintendent Jerome A. Cross of the Fresno schools yesterday arranged for all boys having raisin saving jobs, waiting for them, and wishing to work, to be excused from school duties. Tomorrow they will be excused today. In addition to this he has a plan for a reserve of 1000 school boys today and announced at some of the schools that large boys ready to work but not having jobs, should come to school to their old clothes, and be prepared to go to the fields. The Valley Fruit Growers' Association office at 334 Kern street has arranged to act as the clearing house, and when boys are called for, will notify Mr. Cross, and send cars for the student "minute men."

For a time, and all work ceased for four hours. Organizations busy
The Valley Fruit Growers called a conference yesterday. Among those who participated were P. A. Homan, P. M. Hahn, Willie M. Giffen, W. Flanagan, Setchel, C. T. Cowley, C. B. Harkness, H. E. Patterson and Jerome A. Cross, representing the principal organizations here.

Harkness, manager of the association, immediately notified field men of the determination of Fresno to send help to other localities if needed. Men in charge of sections are the following: J. Kirk, Dinuba; J. H. Fairweather, Reedley; John A. Johnson, Kern; M. P. Hapley, Clovis; Hanford Sentinel office at Hanford, and the Chamber of Commerce at Selma.

Sulphur helps
The use of sulphur houses and of tents yesterday proved very successful. Treated grapes were brought into the raisin association office greatly improved. The witness of the grapes in sulphuring does not matter.

Setchel was one of the growers who used carvans and sulphur effectively yesterday, night and day crews with twelve tents, sulphured 24 tons in the vineyard in 24 hours. Plenty of sulphur was used and the treatment lasted about three hours.

One of the possibilities of salvage lies in the wineries. Food Administrator R. P. Merritt has taken up the opening of the wineries with the government at Washington. It is thought that denatured alcohol may be made successfully, and some of the expenses of producing this year's crop met.

NEEDED OVERALLS
Merritt Algerian committed petit larceny yesterday by stealing two pairs of overalls from Hedgesway's store, H and Tulare streets, according to Patrolman Treadwell, who made the arrest. He may be given a hearing in Judge Briggs' court today.

Children's Eyesight

Frequently apparently stupid children are handicapped by defective eyes rather than dull brains. Before school starts, let us examine your child's eyes. Correctly fitted glasses will place the child in the "smart" children class.

Lye Treatment May Save Part of Raisin Crop

A lye treatment to kill the mildew in raisins was suggested by Richard Schmidt, instructor in agriculture, and Horticultural Commissioner Fred P. Roulland last night. Schmidt has had considerable experience curing mildew and has used the lye treatment for killing fungus as well as for the usual checking operations. Prunes which were getting mouldy were dipped into a solution of hot lye water, and the mould was permanently arrested. The solution was made at the rate of one pound of washing lye and 50 gallons of water. The lye dip did not affect the quality of the prunes.

It was suggested that raisins beginning to mould might be dipped for two to four seconds in lye water near the boiling point, and withdrawn and dried to dry. The use of hot water would permit the raisins to dry rapidly after being withdrawn. Raisins which are not already fermented should readily be freed of fungus.

Mr. Schmidt has not yet worked out the plan enough to know whether the ordinary solution would be too strong, and break the skins, but he will make a series of practical tests today.

It is thought the use of lye will not materially alter the flavor of the fruit.

GOEHRING IS NOT ALLOWED TO QUIT

Police Commissioners Refuse to Accept Resignation of Chief of Police

Chief of Police John G. Goehring was asked by the board of police and fire commissioners yesterday to withdraw his resignation which had been tendered by the chief under the belief that the "mass meeting of 8" was a gathering of representative citizens. The motion calling on Goehring to reconsider his determination to quit his job under the demand of "Fox Populists" was made by Commissioner Shaw, seconded by Commissioner Duncan and unanimously carried. The action was taken in four seconds by a full board and two seconds later Chief of Police Goehring was back at his desk at police headquarters.

The commissioners granted a request from the police department to do away with stripes and award stars as insignia of long service—stars to be worn on the cuff. The board recommended to the city trustees an ordinance compelling business houses to raise their awnings after sundown to give firemen greater freedom in the event of a fire.

A resolution from the Fresno Labor Council for an 8 hour day for firemen and policemen was laid on the table because of lack of funds to pay the additional men required under such a change. Fire prevention day was advanced from October 9 to November 2 at the request of Secretary McAdoo.

MANY TO HEAR GOVERNOR SPEAK

The "patriotic luncheon" planned for Governor Stephens at the Fresno hotel tomorrow noon and at which all the chief war workers of the county will welcome the state executive and hear his plea to buy Liberty bonds, promises to be a larger affair than was first intended, declared Mayor W. F. Toomey yesterday.

"I was told that it would be necessary to limit the number of invitations because of a shortage of waiters at the hotel. Since then the shortage has been overcome. But the impression has gone out that only those named by me as members of the reception committee are invited to the luncheon. The luncheon is a subscription affair and those who are anxious to hear the governor must give the governor a splendid reception. Every one named on the reception committee has accepted."

CITY DRAFT BOARD IS REORGANIZED

Complete reorganization of the Fresno city exemption board was begun yesterday despite the fact that the successor of Willis M. Giffen as chairman of the board has been appointed by Governor Stephens.

The work following the September 12 registration is so heavy that Acting Chairman A. E. Snow and Pete Droge, the remaining members of the board, decided to hasten the reorganization to enable the board to keep pace with the schedule of Provost Marshal Crowder.

George C. Tabor, who has served as clerk of the board since America first entered the war, resigned immediately following the retirement of Giffen and returned to his old post as attorney for the Associated Raisin Company.

Thomas E. McKnight, for six years district office manager of the Cadillac company, has been named to succeed Tabor as chief clerk and took up his new duties yesterday. McKnight was inducted into the service to his intent, under the draft, having been persuaded to abandon a commission in the army because he felt his services would be more valuable here. William H. Henderson was appointed special investigator of the board and new offices were opened in the Cory building, the board taking the front suite directly across the hall from the old offices and directly below the suite occupied by the county exemption board.

FRESNO SAILOR RESUMES DUTIES

George Foley of the naval reserve, who has been stationed at New York for the past eight months and who has been visiting his mother, Mrs. Florine Foley and sister, Miss Alice Foley, at their home in O street, left yesterday for the Brooklyn navy yard to resume his duties. He is a second lieutenant and is expecting orders for active service immediately.

POSLAM LIKES BAD CASES OF FIERY ECZEMA

When Poslam takes hold of virulent and stubborn eczema, it soothes and cools at once, putting a stop to the terrible itching. On rare parts of the skin it feels immediately grateful. As Poslam continues to penetrate there develops just the healing process needed. Contrast the ease of healing with the severity of the trouble, and Poslam's work seems remarkable indeed. One ounce of Poslam is worth a pound of ointment less efficient.
Cure your skin, or become a fresh cleaner, better by the daily use of Poslam. Soap, medicated with Poslam.
